APPRECIATION

Any great institution is the "lengthened shadow of one man". In our case that one man is Bishop Fletcher, who built the school, educated its staff, encouraged its administrators and saw it through trials of all kinds. "A Man For All Seasons", he has shown us how to take "praise and blame and treat those two imposters just the same" in a way that would have warmed the heart of Rudyard Kipling.

DEDICATION

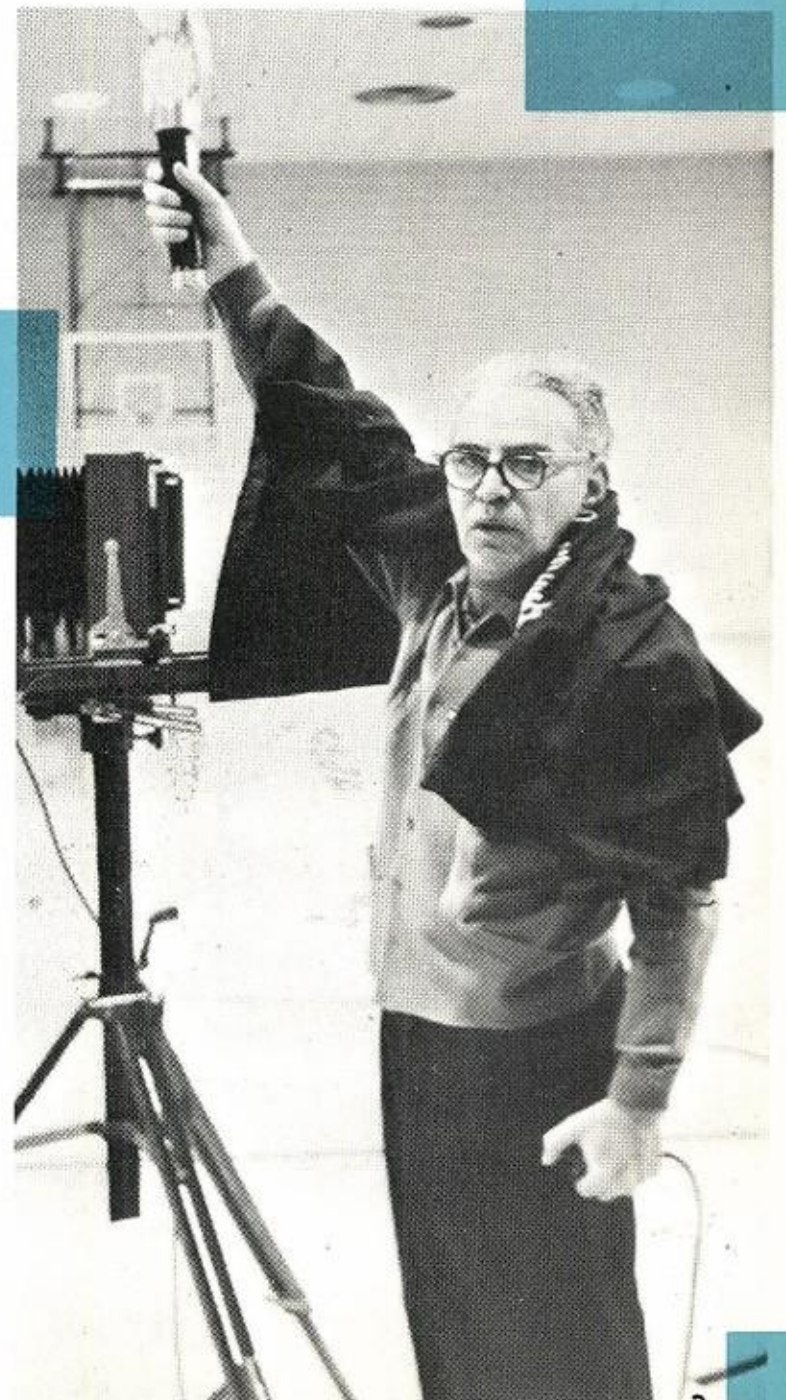

The Reverend Leo A. Riedmueller

Seventeen years of faithful and unselfish devotion to Catholic High School came to an eventful conclusion last September when Father Riedmueller was promoted to the high position of Spiritual Director of St. John's Seminary. His long years of labor here are reflected in the excellence of the Library, the spirit of the Rockettes and the Rockets and many other areas of school life that felt the touch of his sincere interest. He will always be a part of Catholic High.

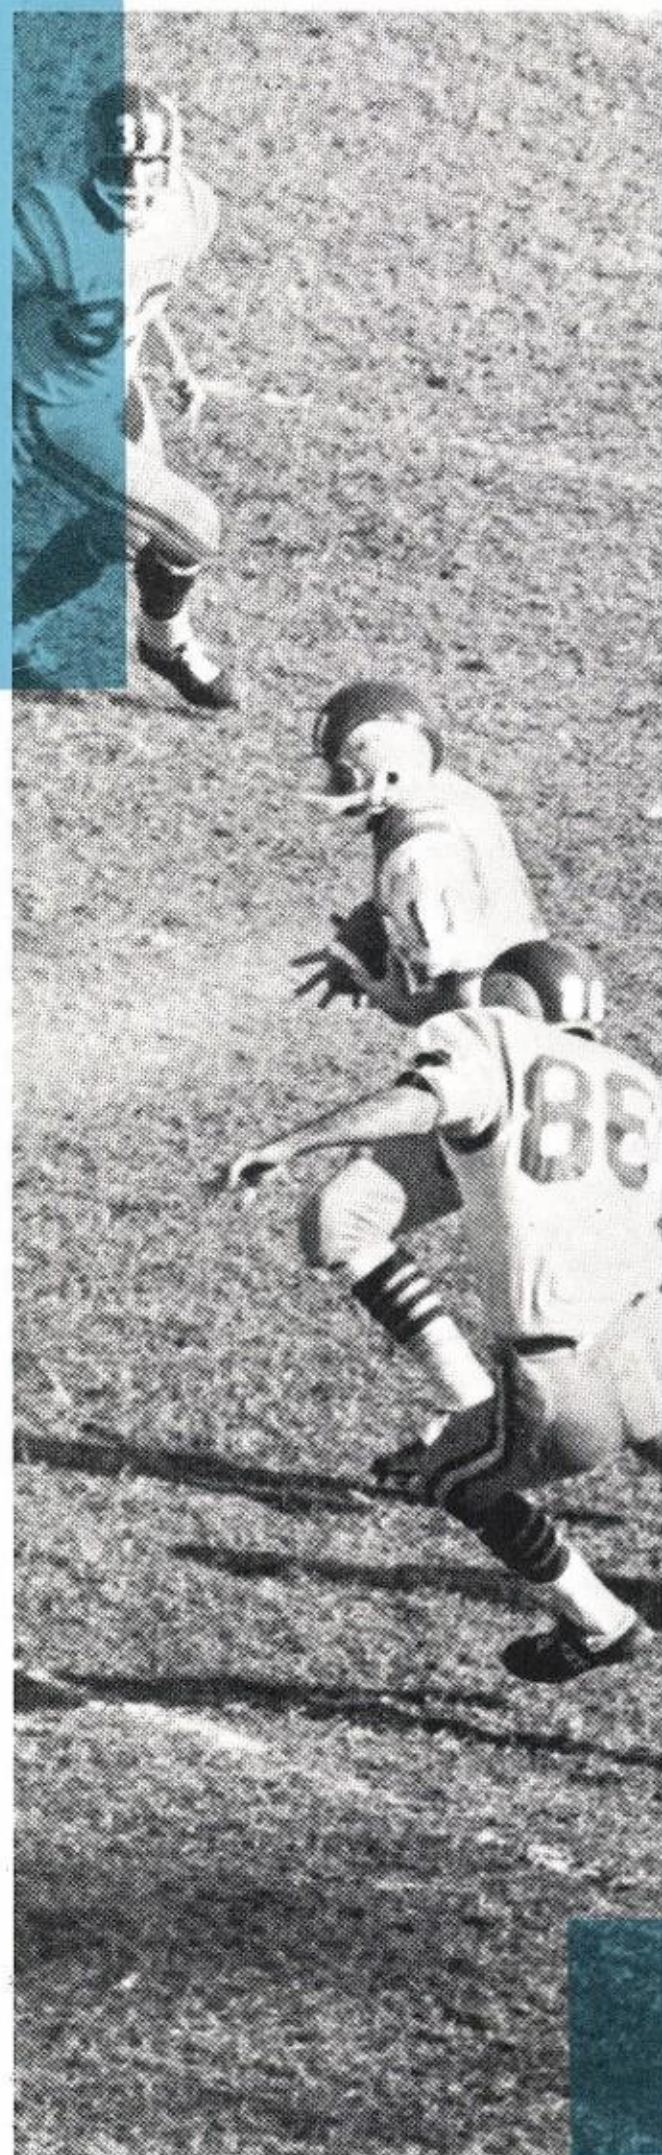

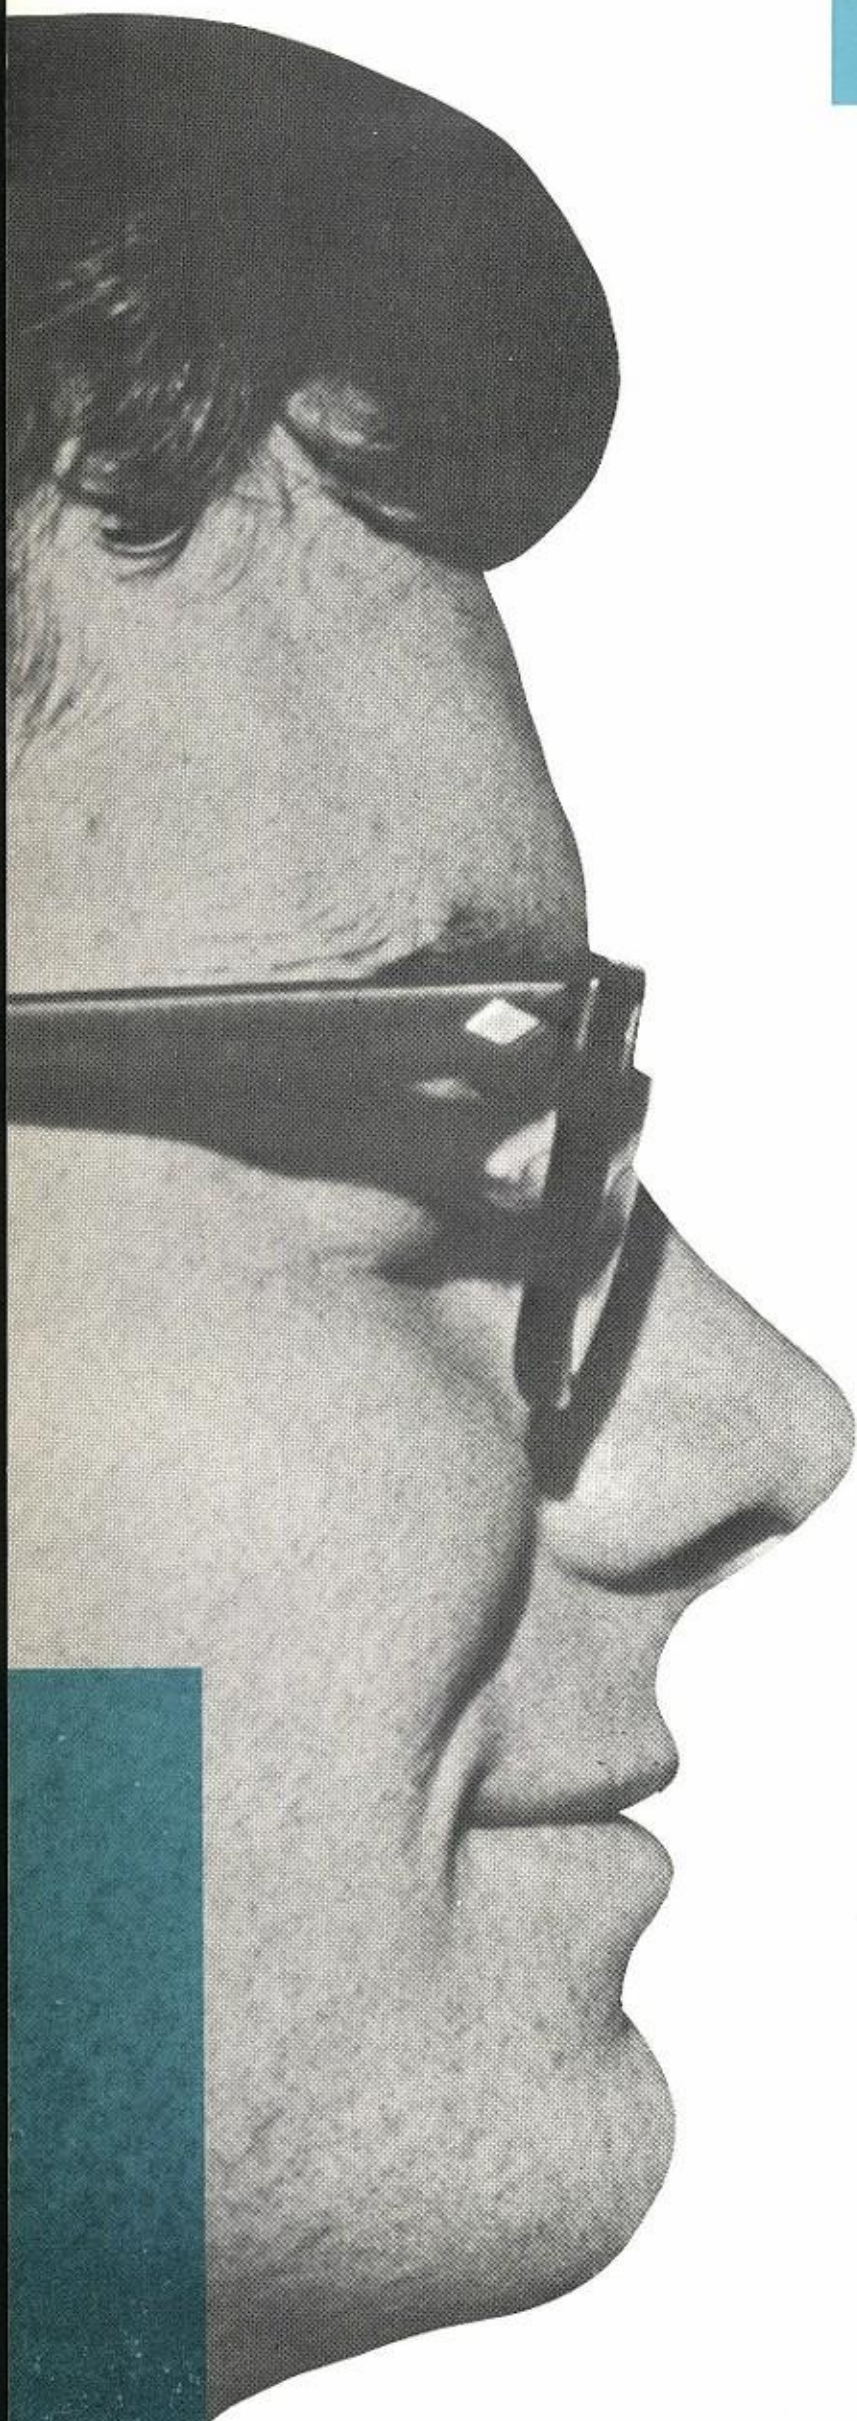

A Tribute to Gustave "Buddy" Shrader

Not just "photographer" . . . but, "friend and photographer" are words that characterize Buddy Shrader. After 15 years of photographing Catholic High boys and events, he has retired to enjoy the years of leisure which he richly deserves. A thousand boys and numerous teachers will always hold him in affectionate memory and wish him "the best" . . . just like his pictures always were!

FACULTY AND CURRICULUM

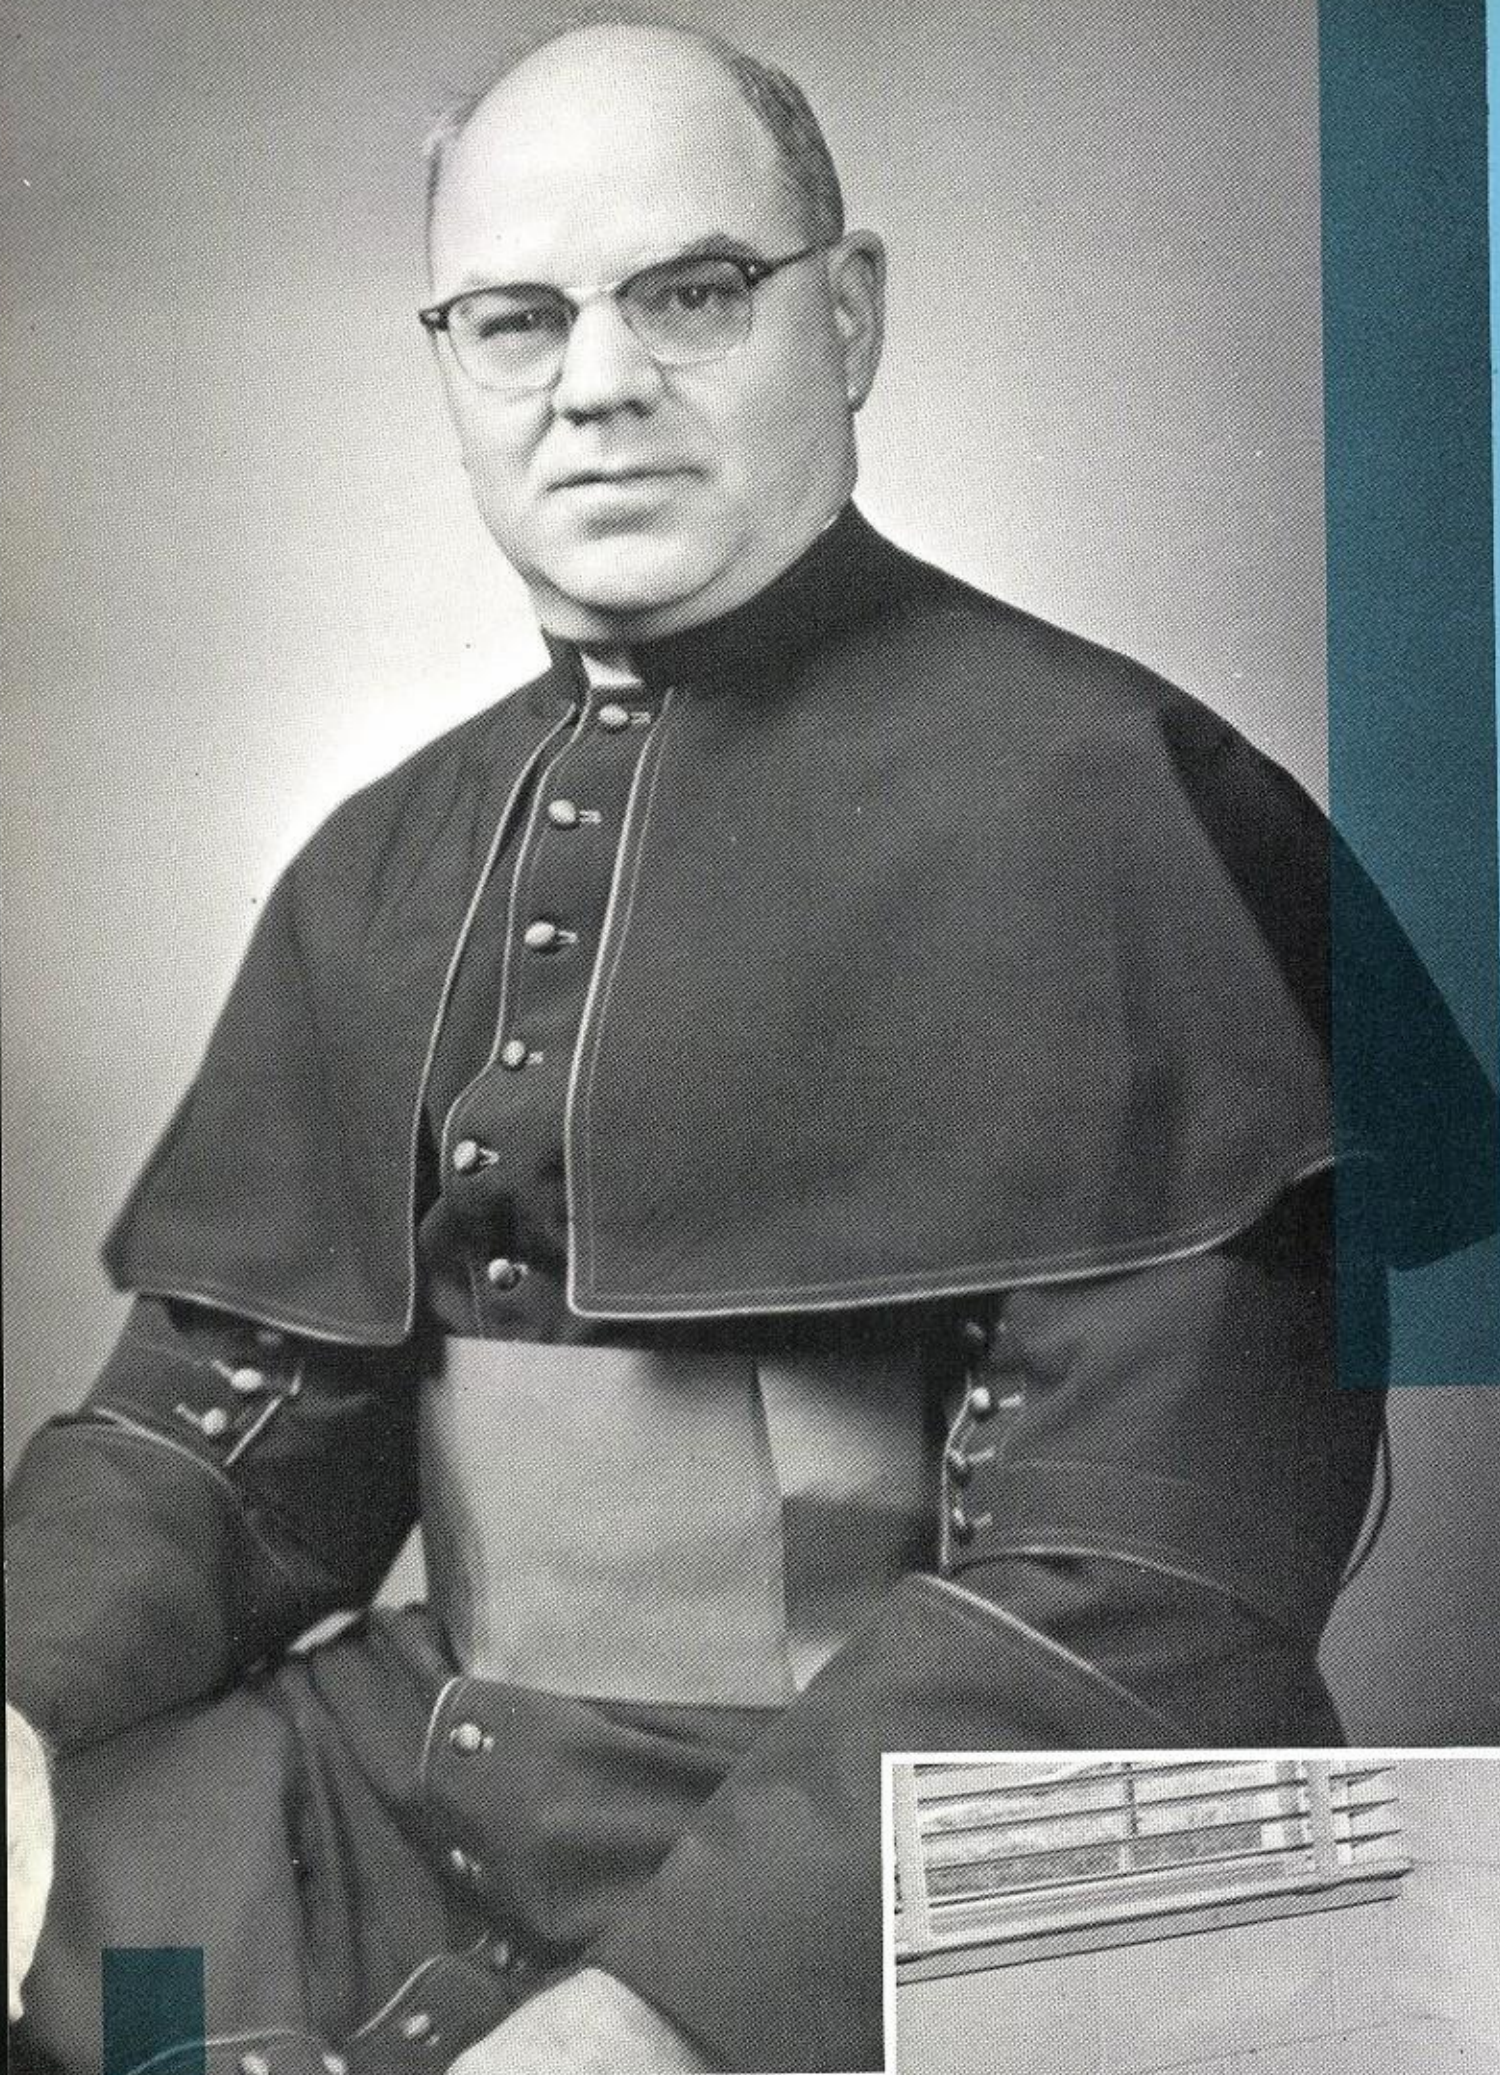

The Best . . .

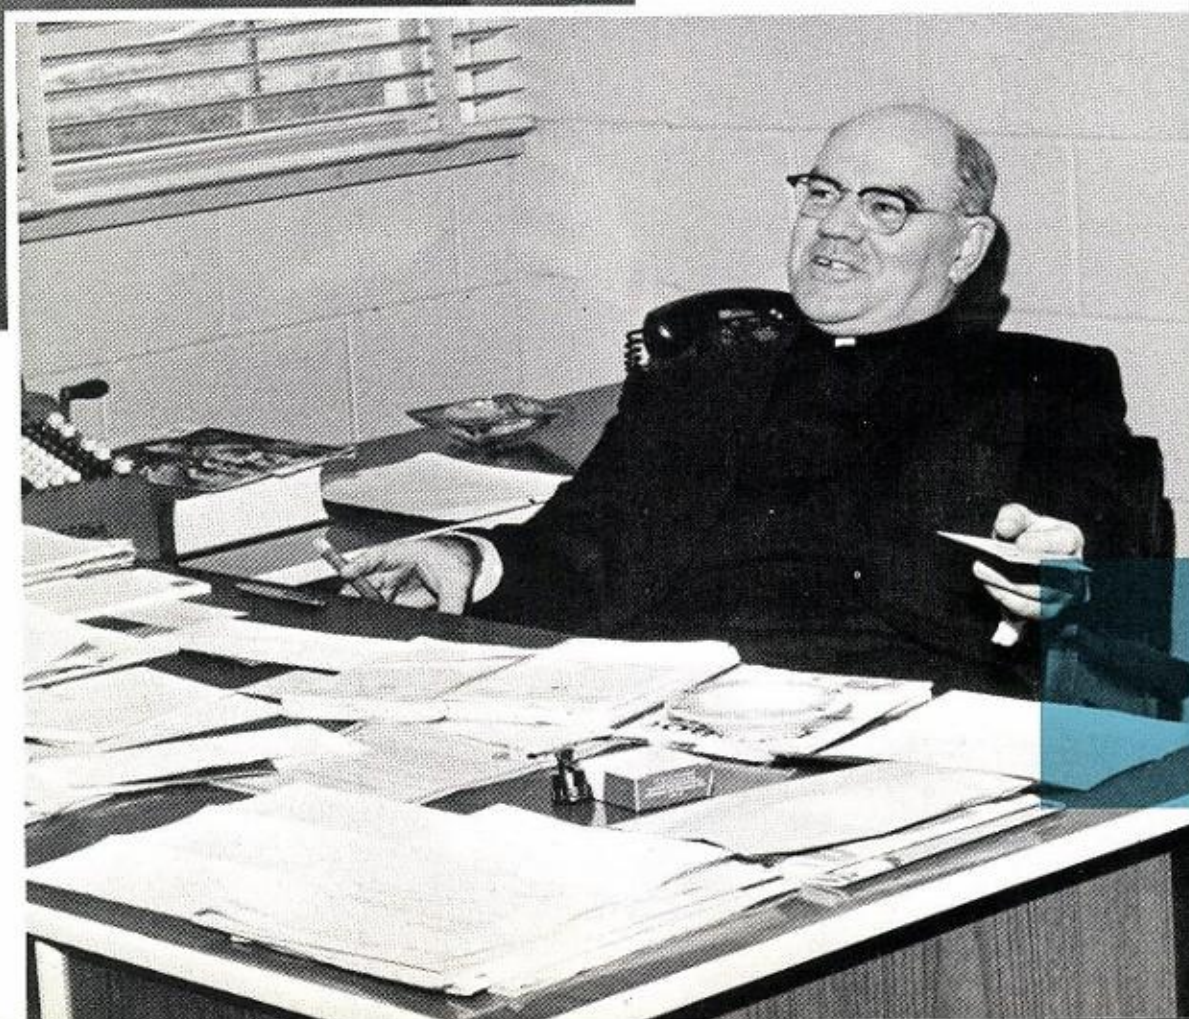

Seventeen faculty members, priests and laymen, teach sixty-two sections in seven areas of educational concentration, providing us with the best in education in addition to a religious training in a religious environment. Good order, decorum and discipline are all part of the picture as CHS trains us for life.

of our high school days has come upon us with surprising speed. Where have these four years gone? What lies ahead? While we graduate with high anticipation we are filled with nostalgia for days that can never come again . . . except in the pages of our yearbook, The Rocket 66.

SOPHOMORES — CLASS OF '68

THE WORST YEAR . . . that's the Sophomore year, so they say. No longer little boys, not quite young men. So we suffer through a year of being unappreciated in-betweens. But we still have our fun . . . we suffer with a certain amount of joy thrown in. We do indeed leave our mark this year . . . grey hairs among the former solid blacks and browns of the faculty members.

FRESHMEN — CLASS OF '69

THE BIG BEGINNING
... of it all. As 9th graders the doors swing open to us welcoming us to the great four year adventure that is the typical American high school. It's all quite different from grade school ... much harder but also more exciting. And we've got three more wonderful years to look forward to. It's a great journey from initiation to graduation. We are happy to be making that journey at Catholic High.

LIFE AT CATHOLIC HIGH

FROM THE TIME the flag goes up at 8:30 until it comes down at 3:04 there is plenty of activity at Catholic High both inside and outside the classroom. Then there are pep rallies, dances; after-school weight-lifting. If variety is the spice of life there is plenty of spice here during our four year high school careers.

Every day at Catholic High begins with the recitation of the Lord's Prayer and the raising of the flags.

72 Daily Classes in Seven Major Areas

Bill Dortch starts off the day with a happy question for Father Colavechio in Freshman Religion. Below: Father Streett explains to the unaccepting sophomores why he likes sentences with verbs!

Mr. Jordan gazes starward, lost in the realm of higher Math

Young Minds Probe for Knowledge . . . And Bugs.

Defenseless Starfish awaits murdering decision of Quick and Paladino here contemplating plan of biological action.

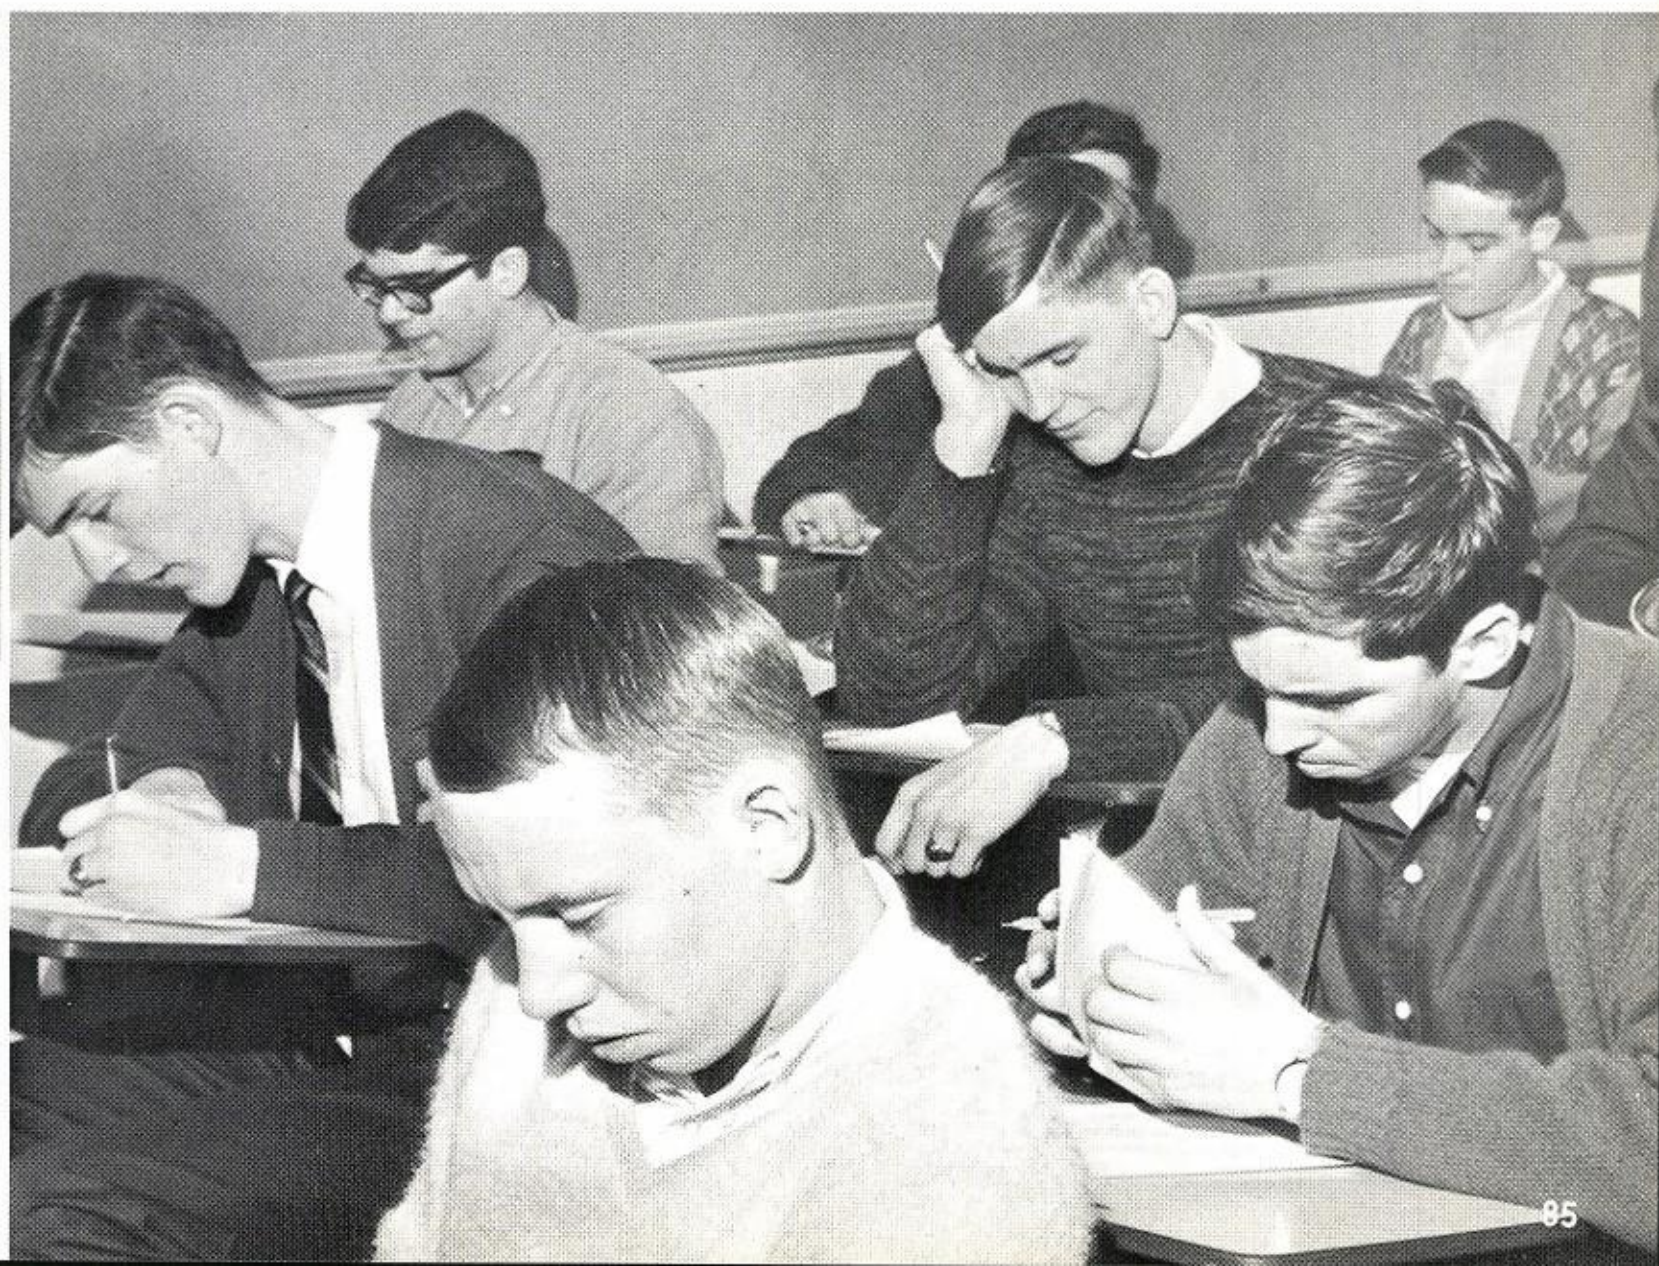

Yes, sometimes Paquette took violent exception to Fr Tribou's remarks when, on "rare" occasions, they were somewhat exaggerated. Note mildness of Jim's reply.

Shirley gives Nolen threatening note of disapproval during discussion period in Speech-Drama class.

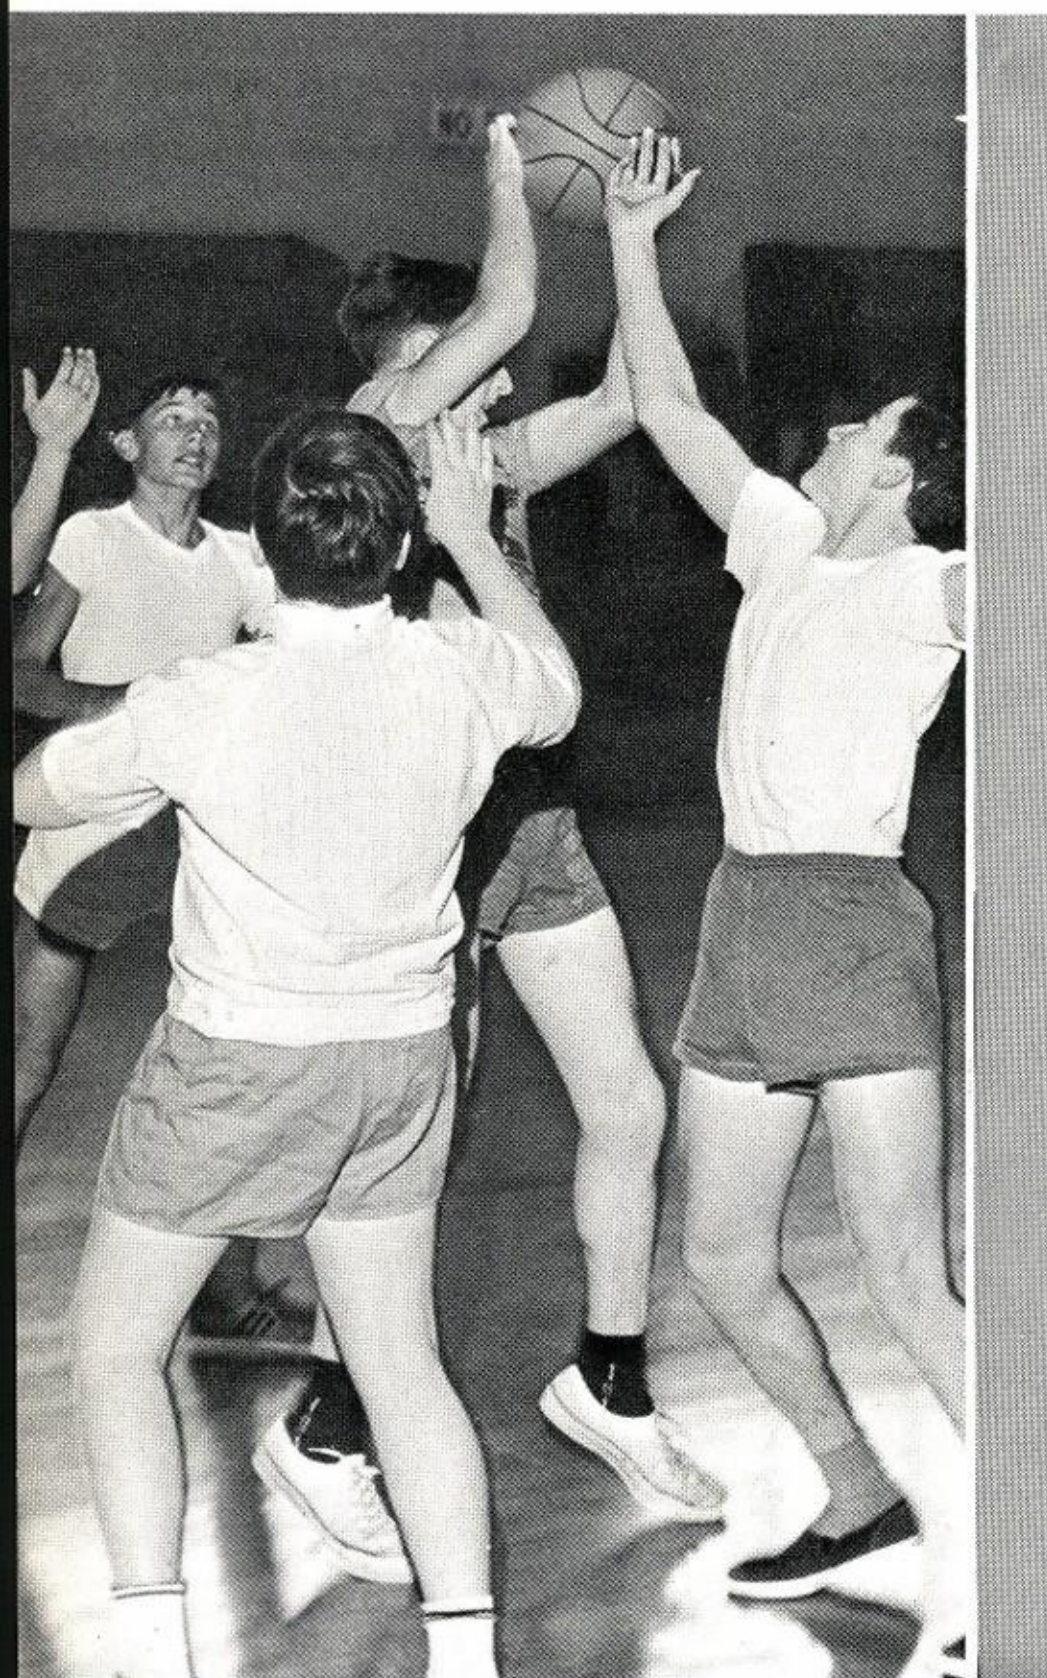

Various degrees of intellectual absorption register on freshman faces as they stand up for better view of one of Fr. Oswald's special math demonstrations.

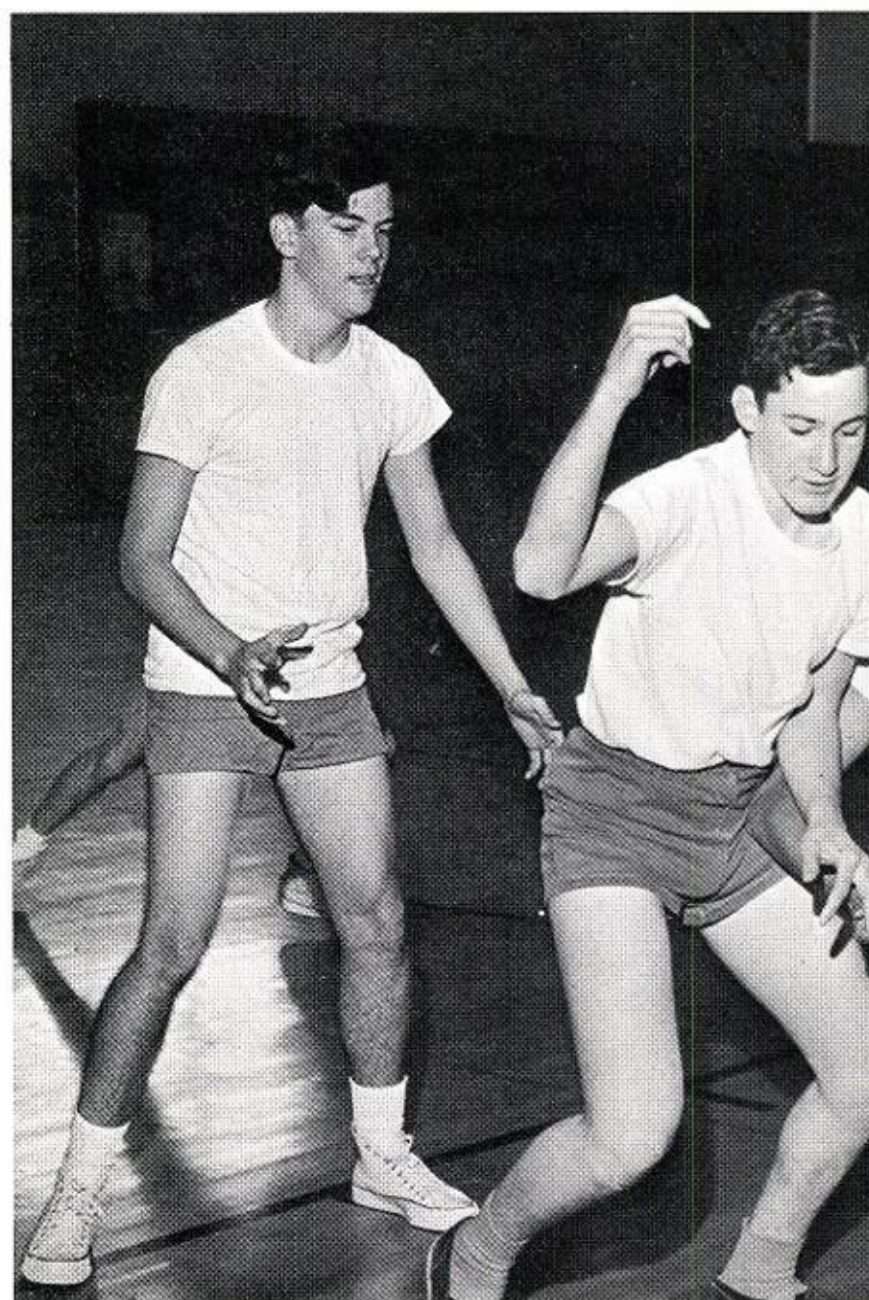

Study Hall

Physical Education

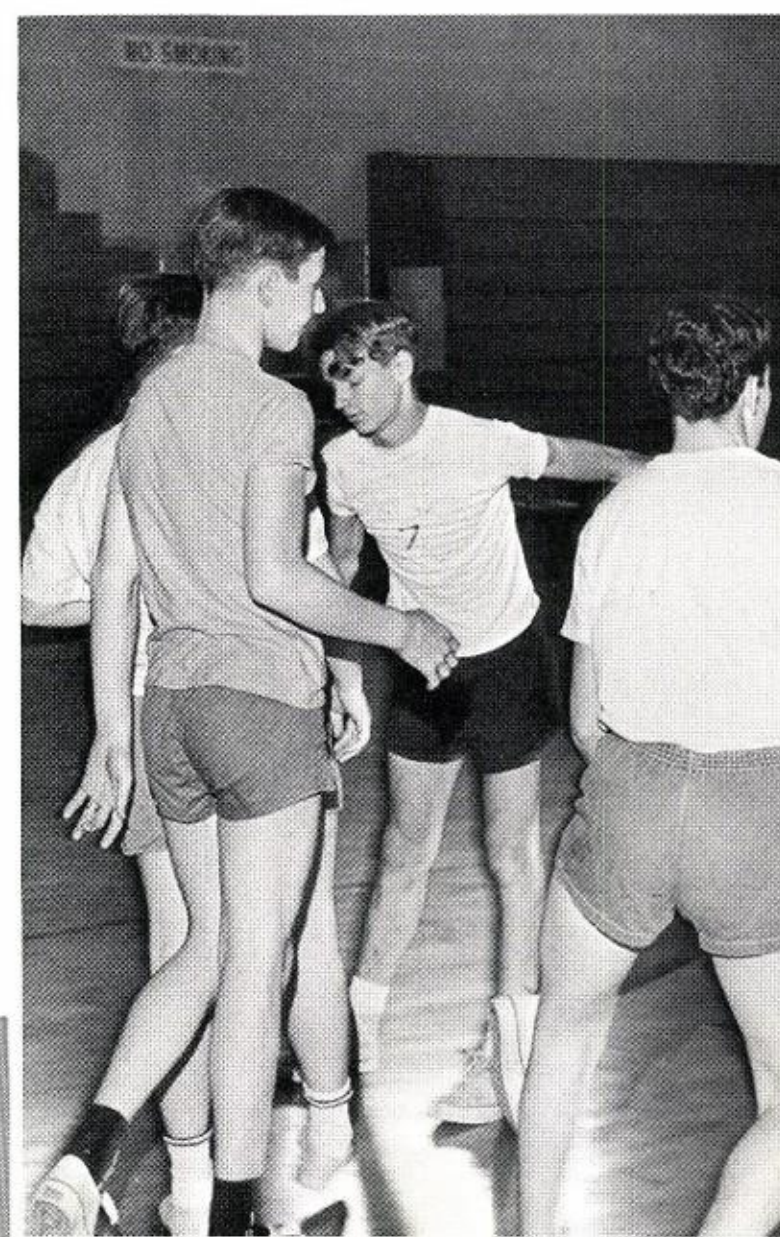

Freshman enthusiasm always make PE period an exciting and exhausting one.

Kearney, Crotts and Cervantes look like the basketball just spoke to them and they react with various degrees of surprise.

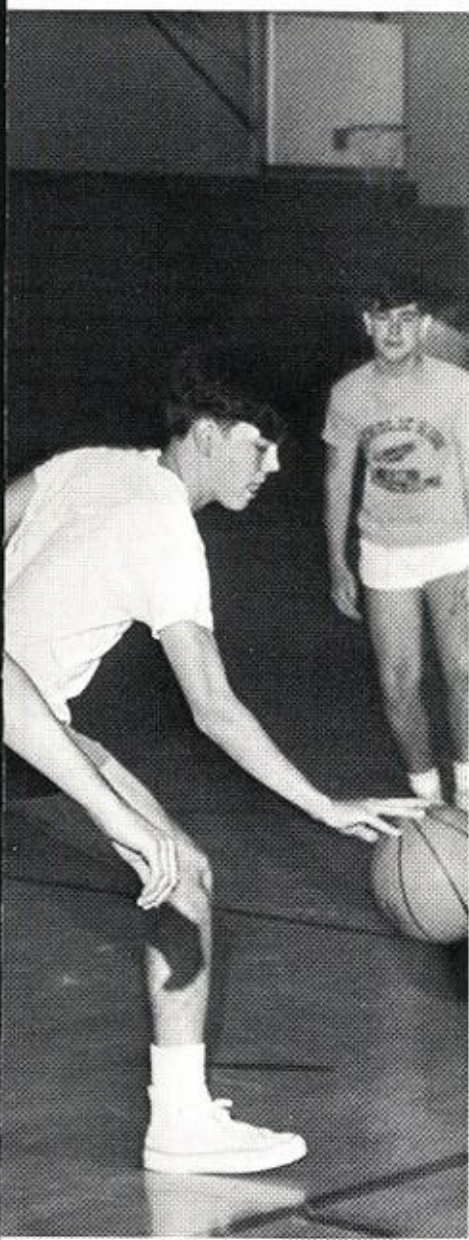

Givens and Doolittle look serious about PE.

More action and inaction with Hylle, Oberste, Crotts and Kearney.

Is it a sit-down strike outside the shower room . . . has a bit of the Berkeley campus fever struck in the gym? No, it's relaxing time for Hunkapillar, Claud, Woods, Murdaugh and Cassinelli.

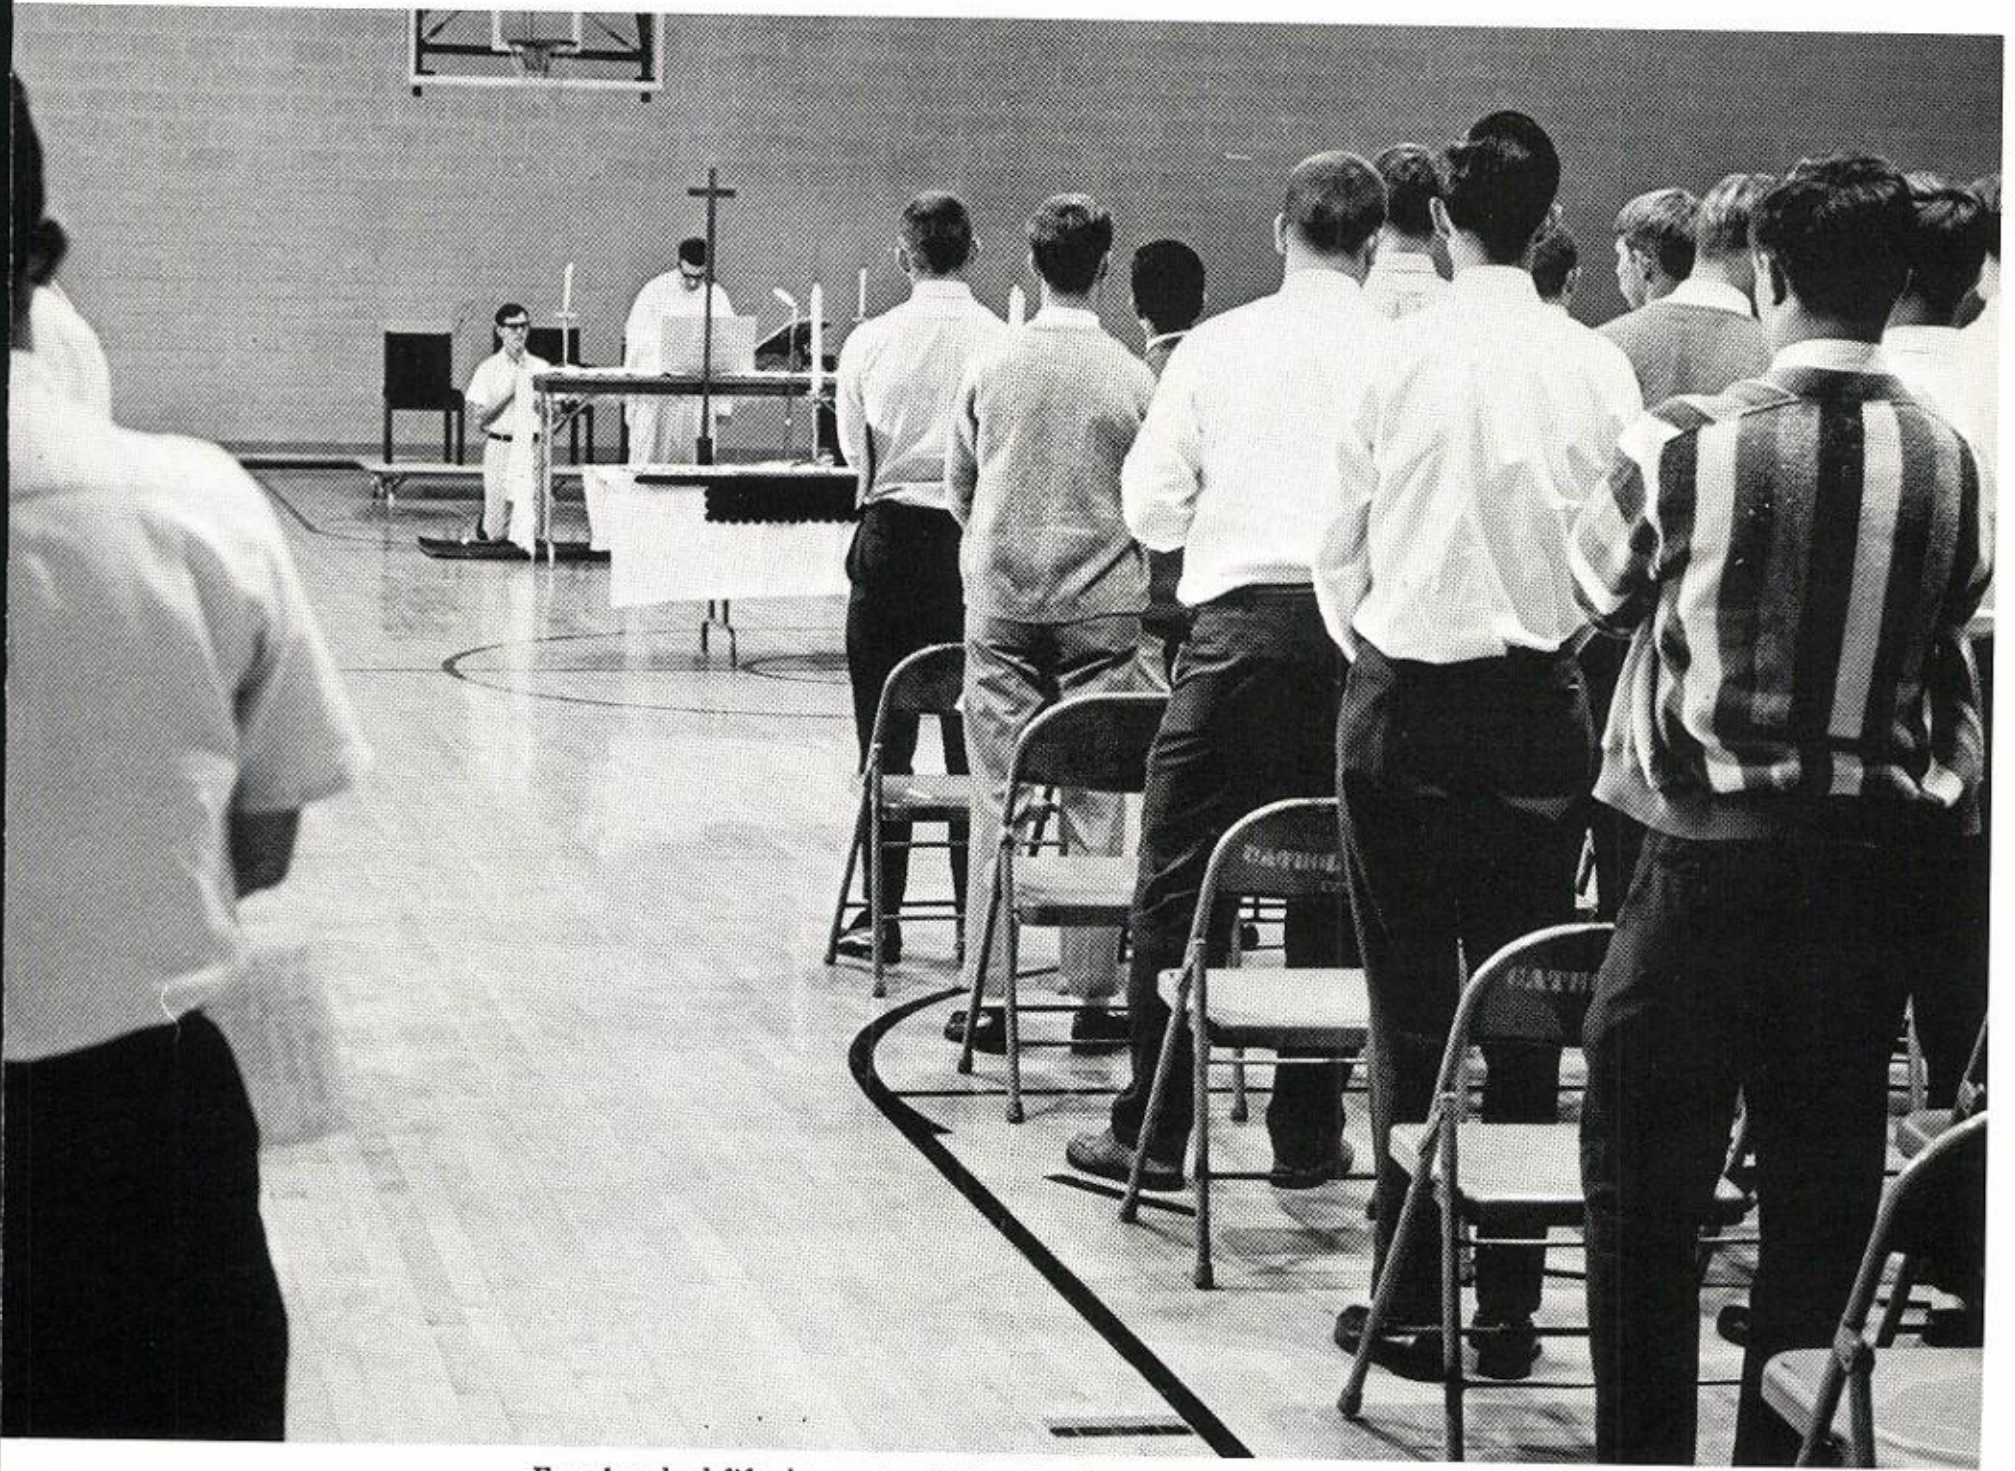

Hubbs: "Now watch this shot"; Zakrzewski: "Now how would big brother Wayne handle this?"; Cullivan: "Shhh . . . let's think about this for awhile".

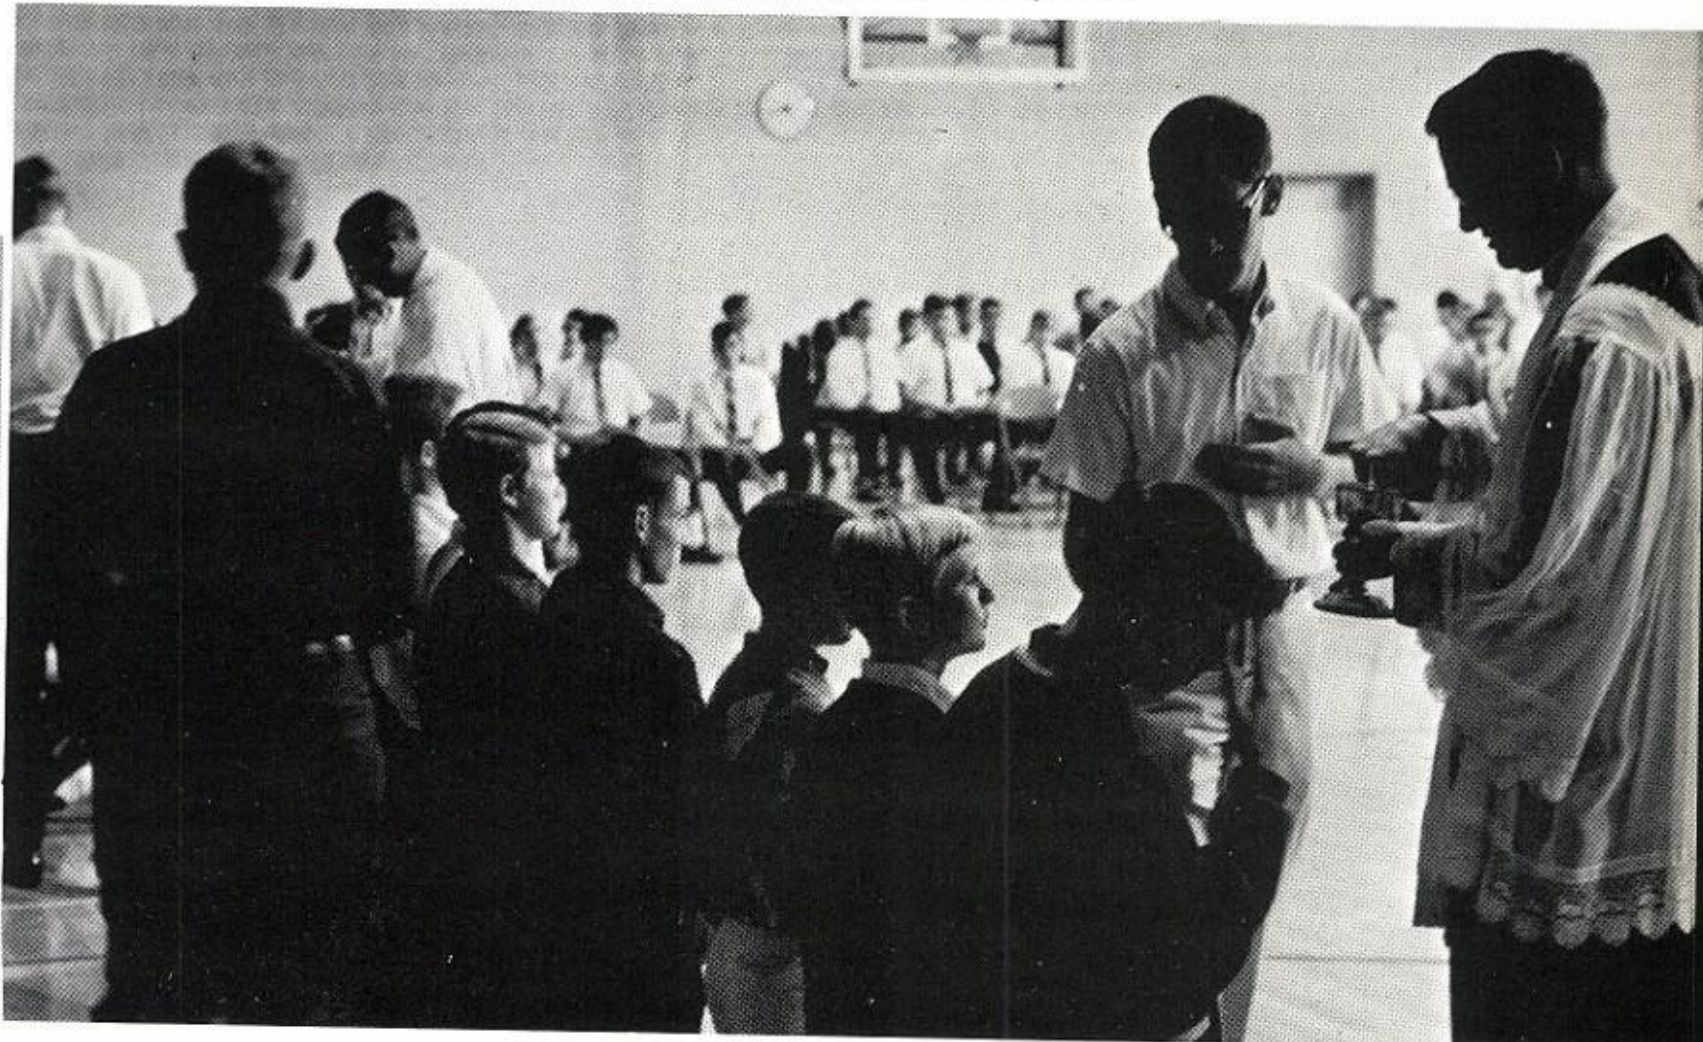

Conway and Darnell take their senior rings from the table after the ring blessing ceremony that is held each year on the First Friday of October.

Freshman big-talk conference on how to tie a tie.

Friend Lawrenz gives a good luck pat to Tom Mehlin's campaign poster in the student body election campaign. Tom wound up being born to be Student Body Secretary instead of president in a close battle.

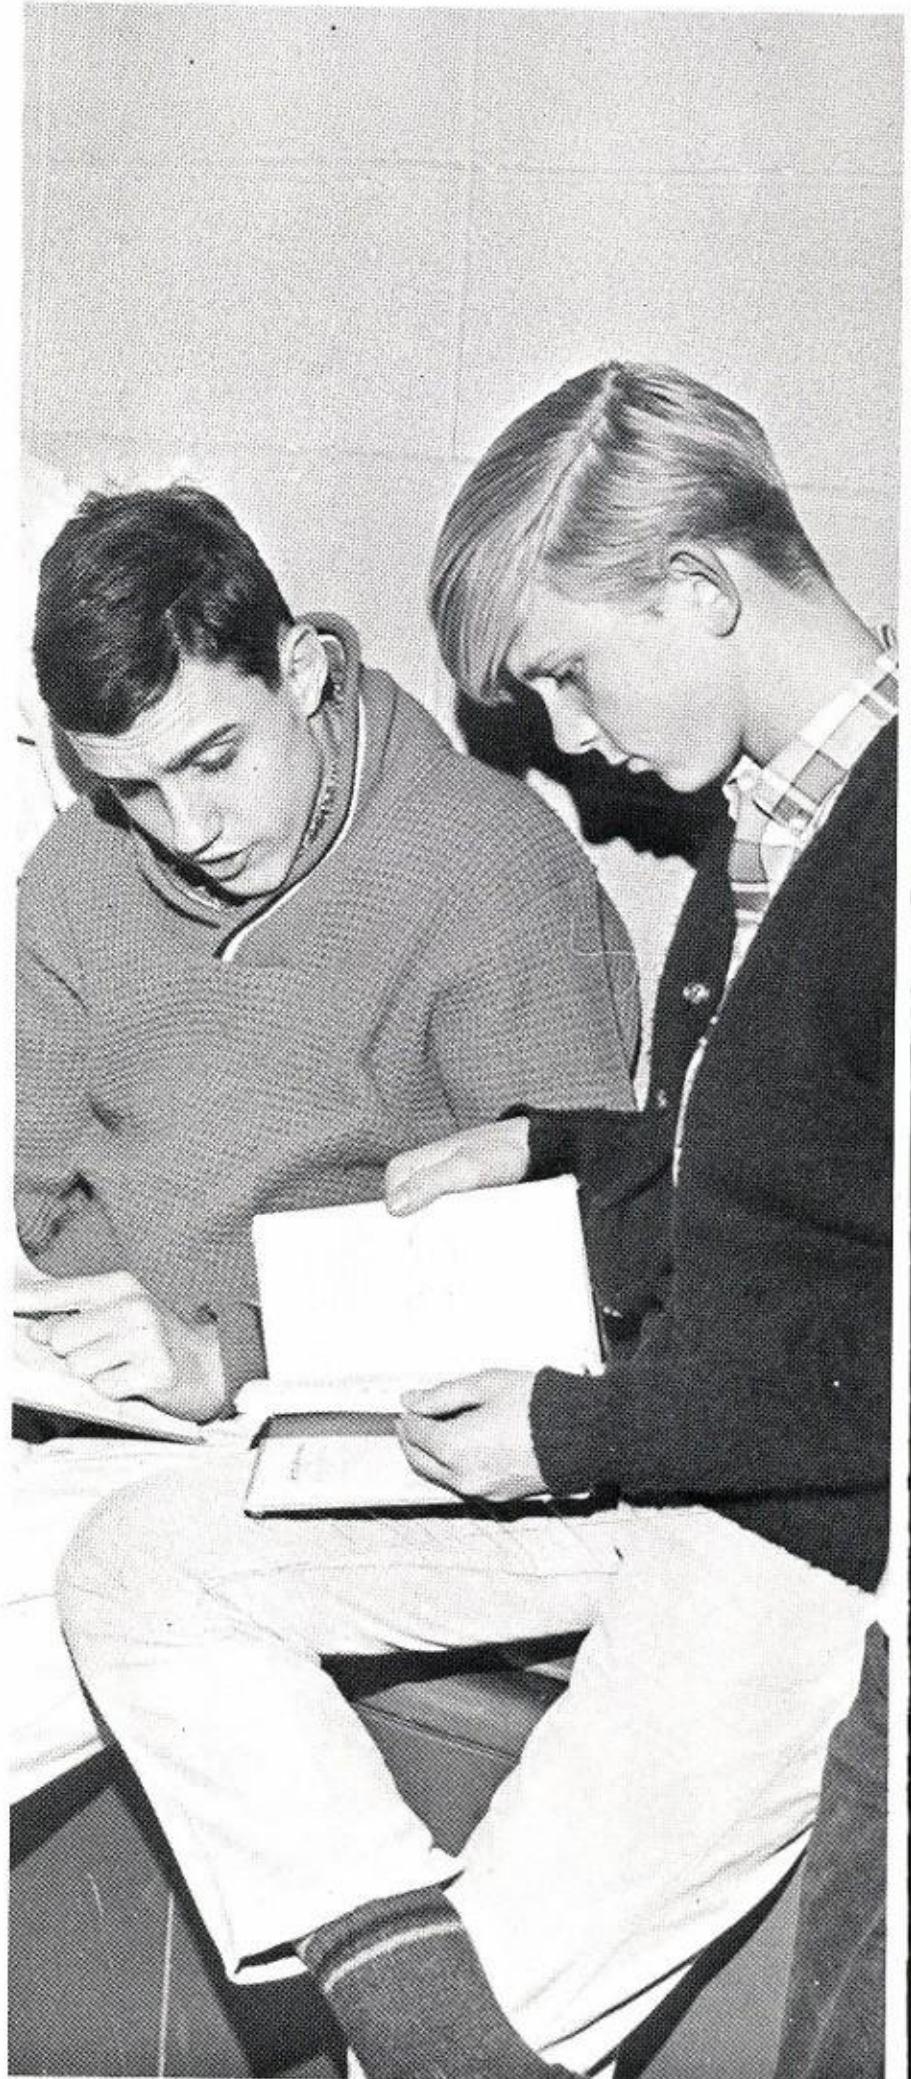

Father Doyle enjoys edification daily as he observes eating habits of a group of sophomores. It's like nothing seen any place in the world. Note Zakrzewski!

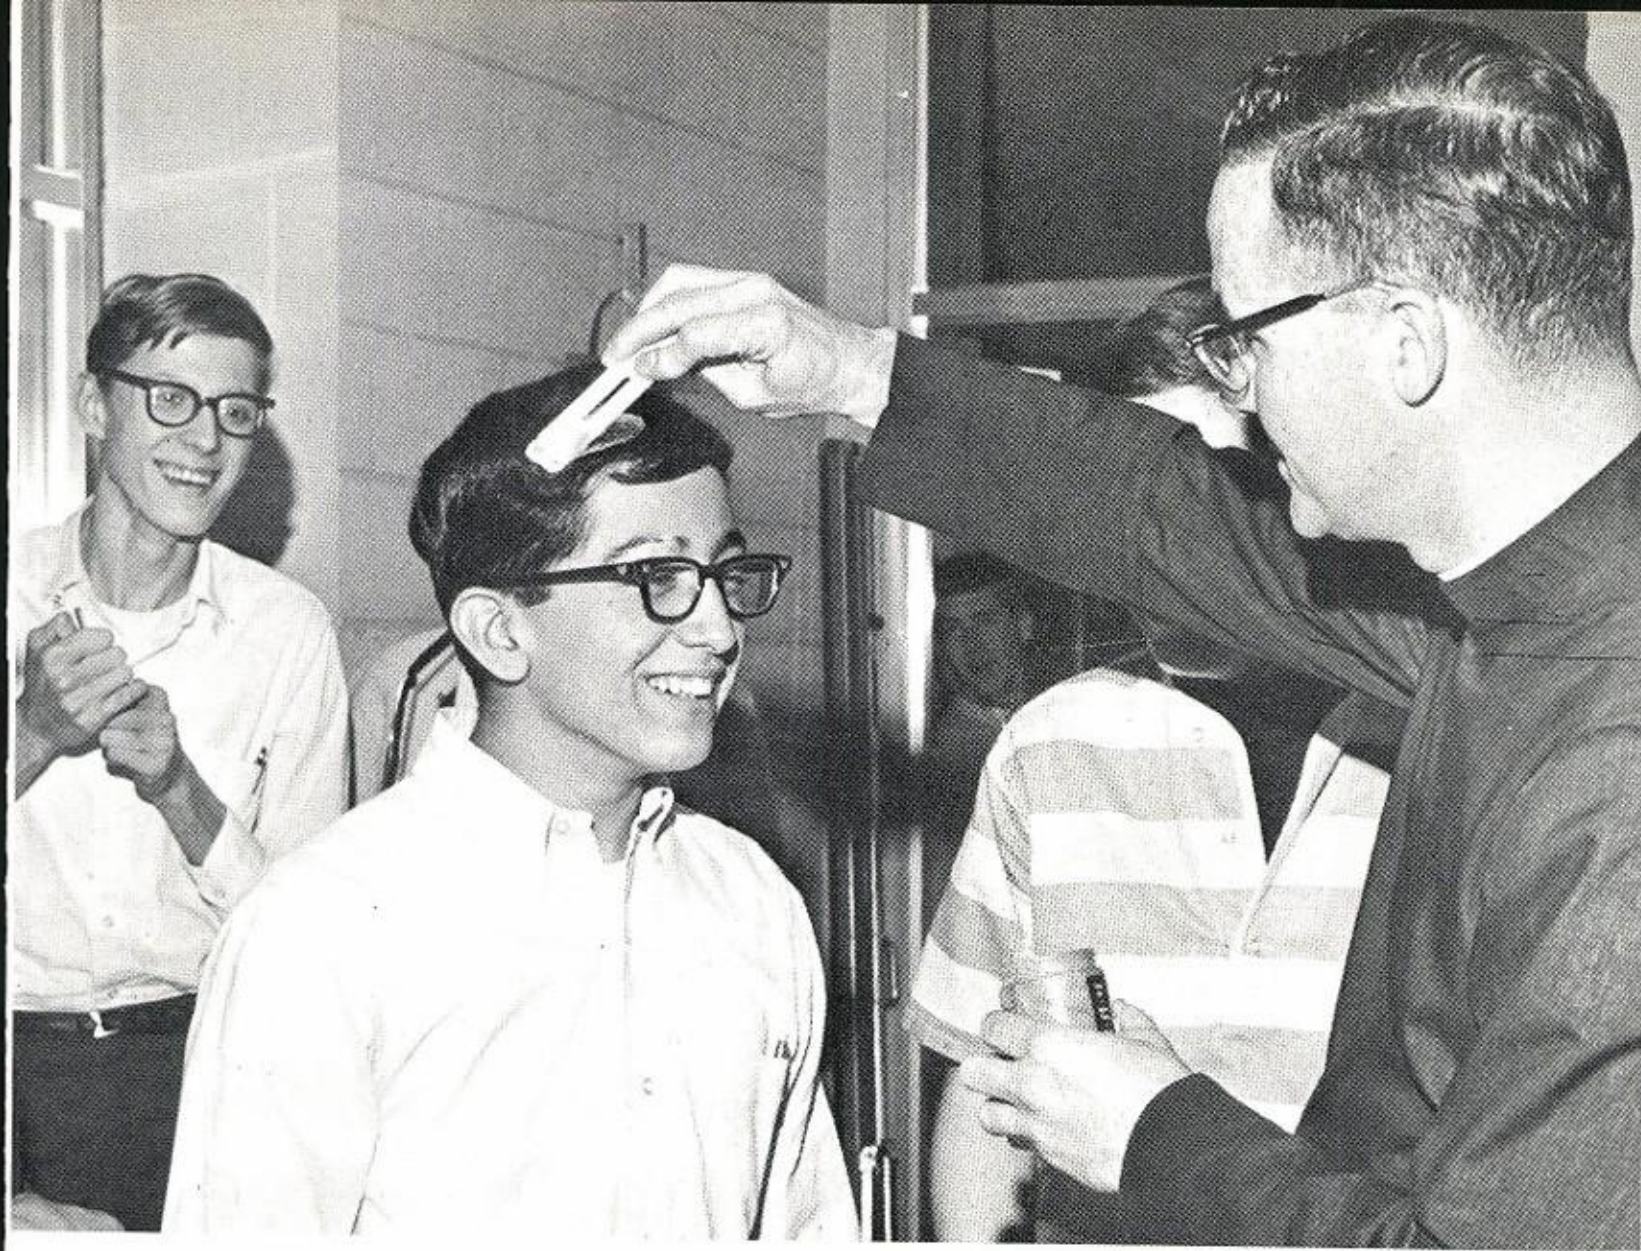

All Sorts of Things Happen at Lunch Time

Style leaders Franz and Cassinelli model the latest dining attire. The hat is especially designed for pointed heads; Drew's shorts only for boys with similarly masculine knee-caps. Actually they were attending a basketball game ... they'd never get in the doors this way during regular school hours.

Derouen and Greenwell get in some noon time study before a test. Don't they know it's forbidden to sit on heaters!

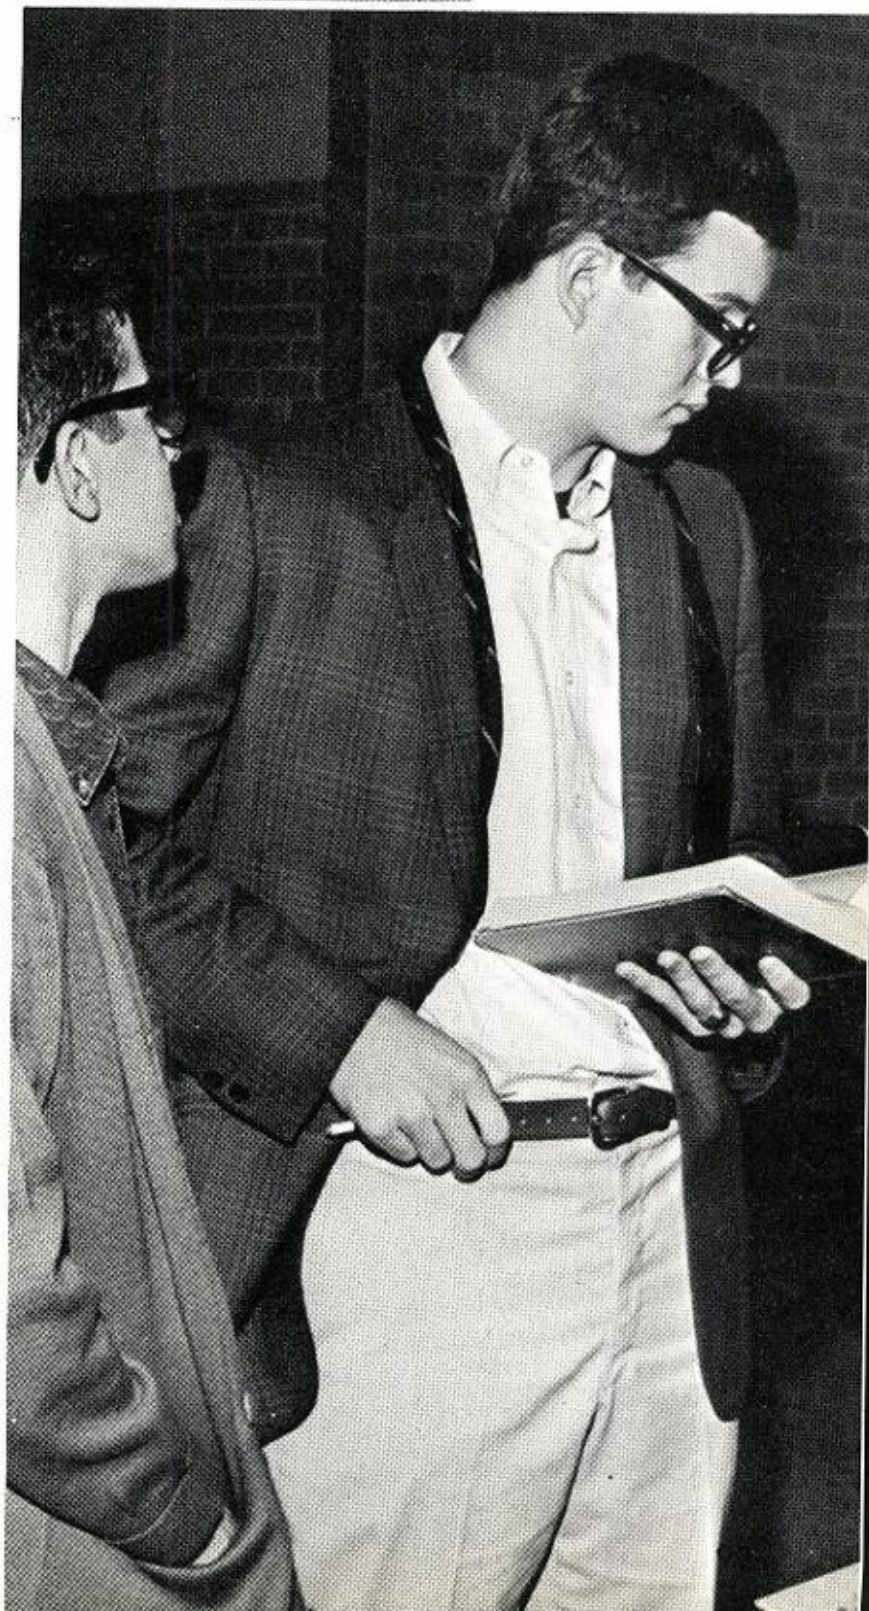

Cervantes wants his hair DOWN; Fr. Doyle wants it UP! Armed with hair wax, Fr. Doyle wins again.

Hill just finished his noon bowl of chili and shows his rejuvenated physique for the world to envy. Selakovitch is equally proud of chin he throws back for inspection. And both are usually so quiet, unseen, unheard, shy, reluctant etc.

(right) Lucky, lucky, lucky Branton gets to look at scrap book of the one—the only—the great SUPER star, Oswald.

Miss Huncke

Miss Menz

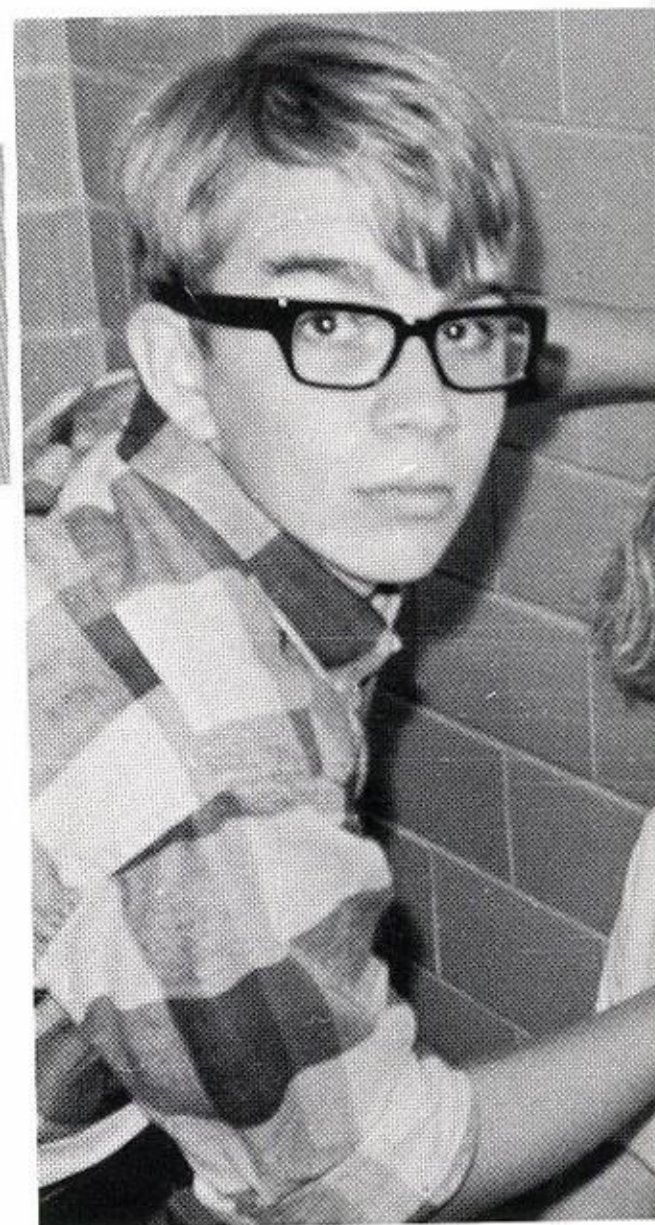

Miss Lipsmeyer

Barbara Menz and Ruthie Huncke during practice for Curious Savage.

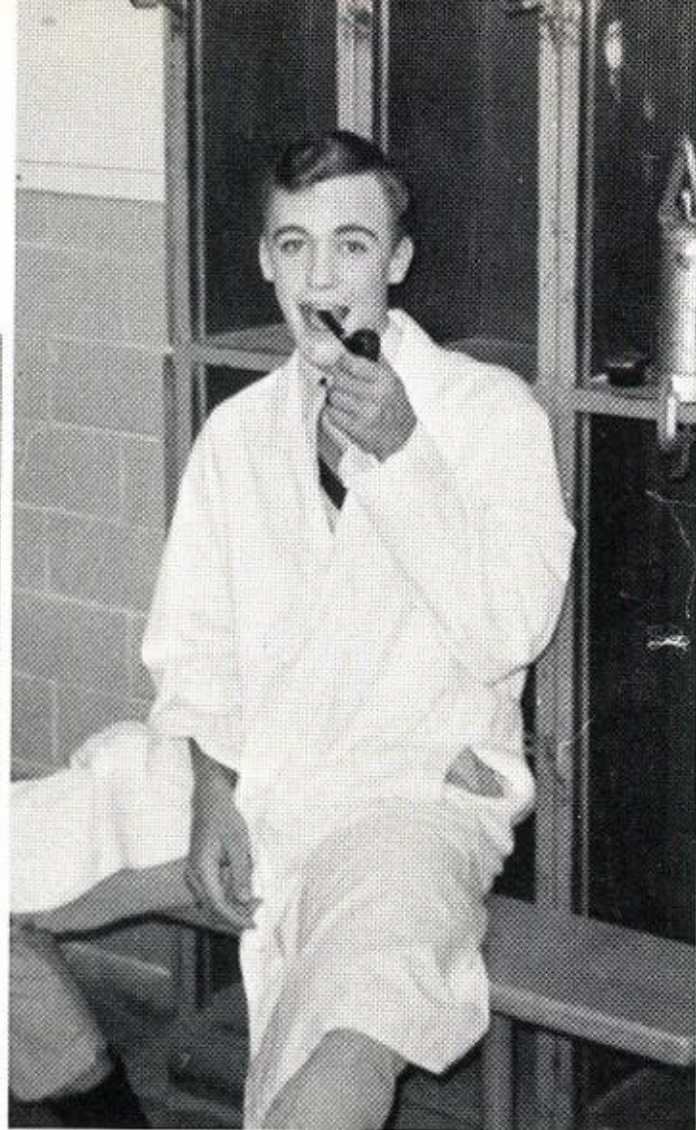

The Curious

Kruelen does expert makeup job on Beth Lipsmeyer's hair.

Left: Cindy O'Conner and Beth.

Chuck Barton, "Dignified Doctor Of The Year"

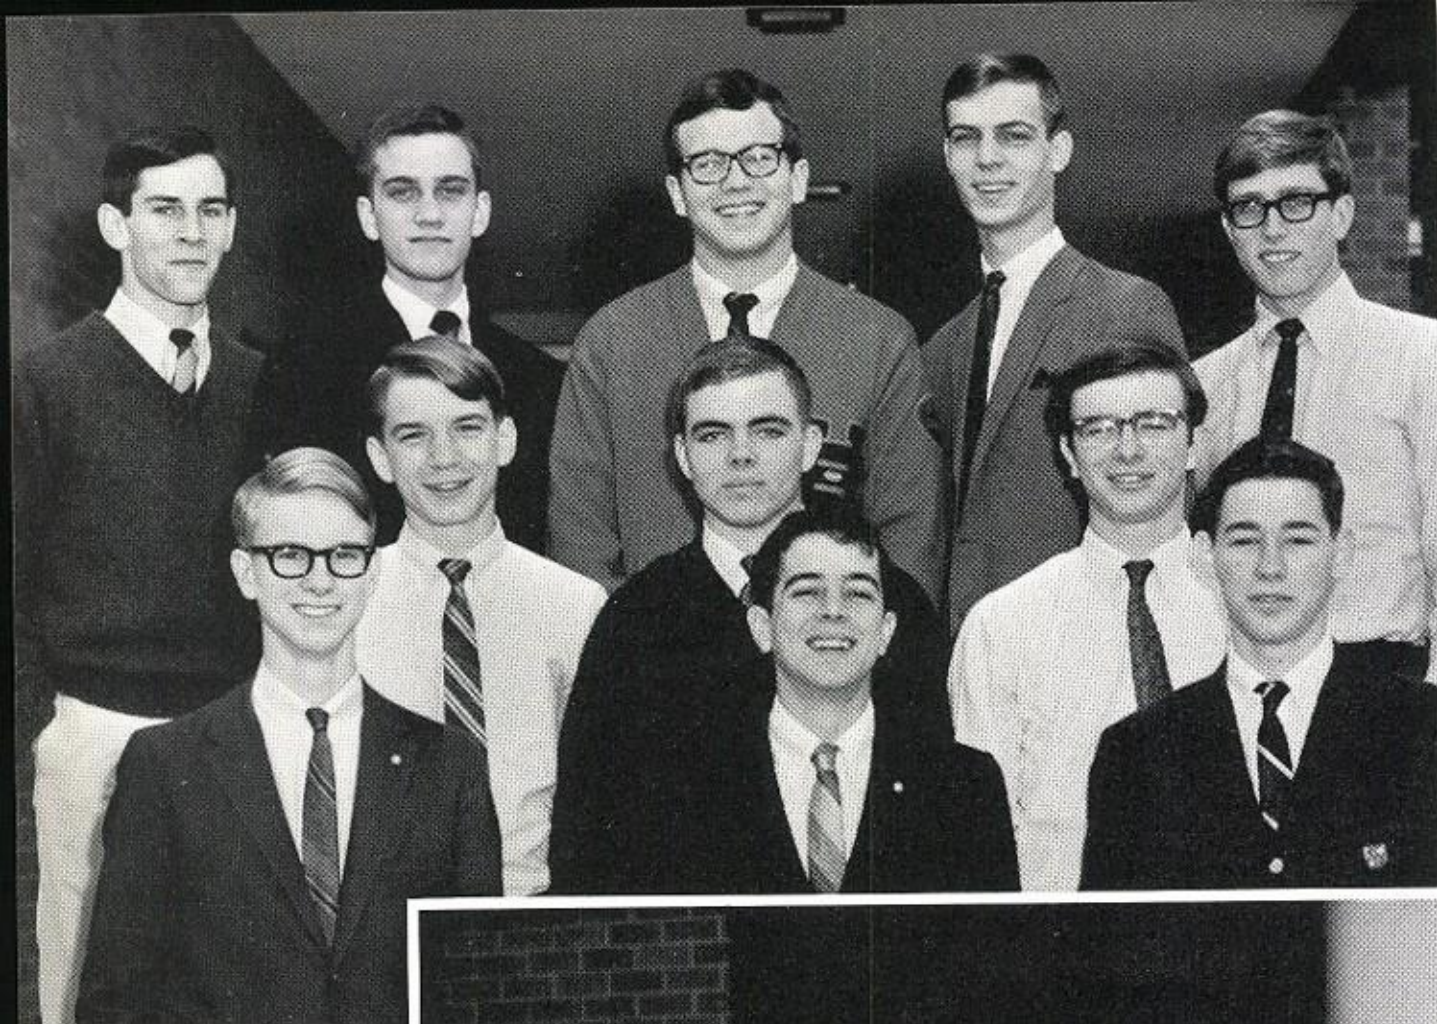

Savage

Little Rock's answer to Hollywood's Otto Preminger is Father Hebert, here showing Holmes his Heifitz pose. What, Father! No long sleeve shirt!

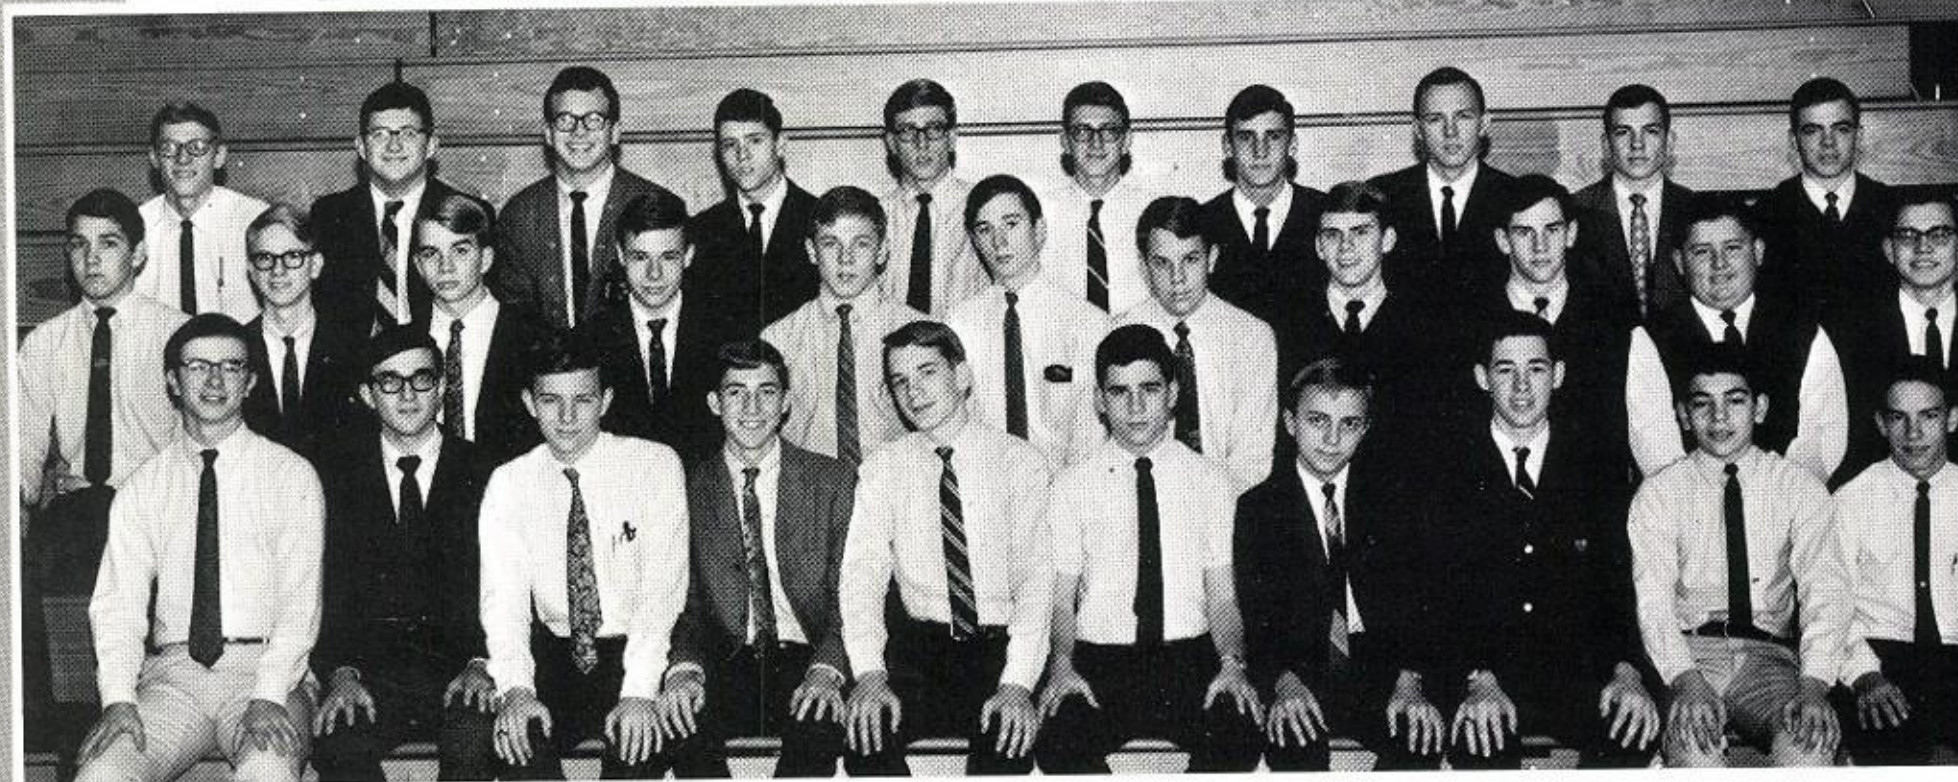

Genetian Society

1st row: Gaiser, Branton, Oulette; (2) Martin, Barry Bertram (3) O'Malley, Isenman, Oswald, Weber and Franz.

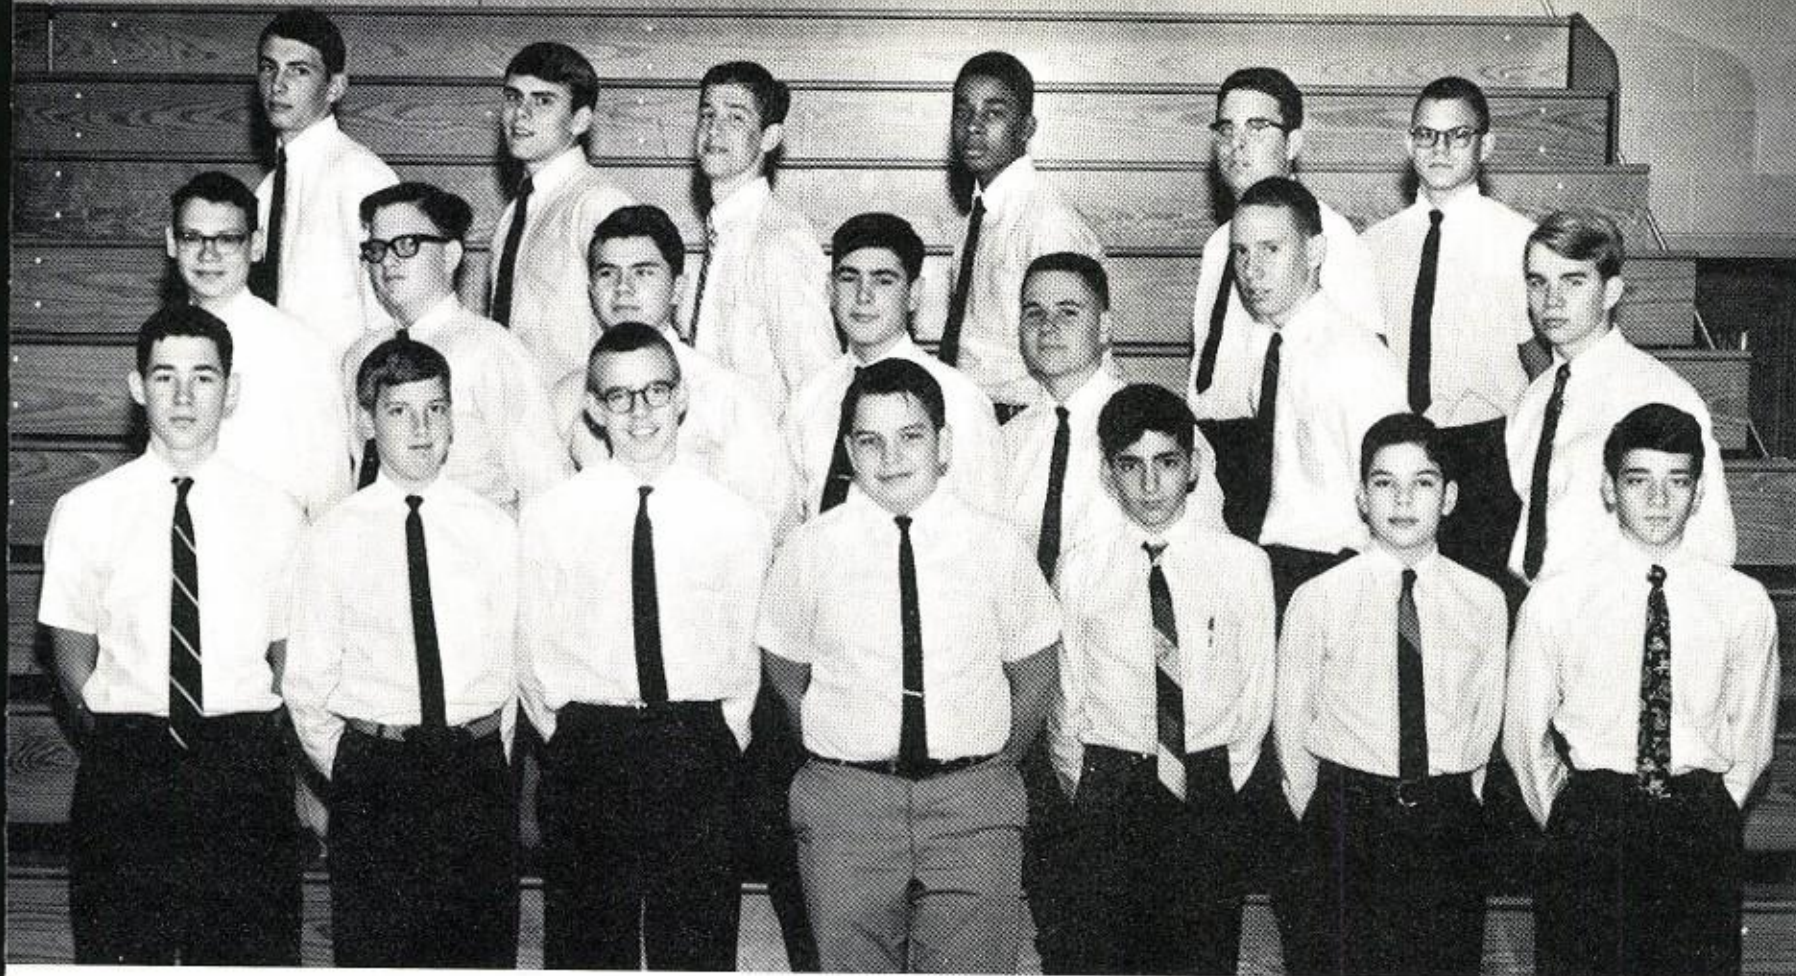

Stars and the Director of The Curious Savage

Barton, Holmes, Slaughter, Director Branton, Isenman and Weber

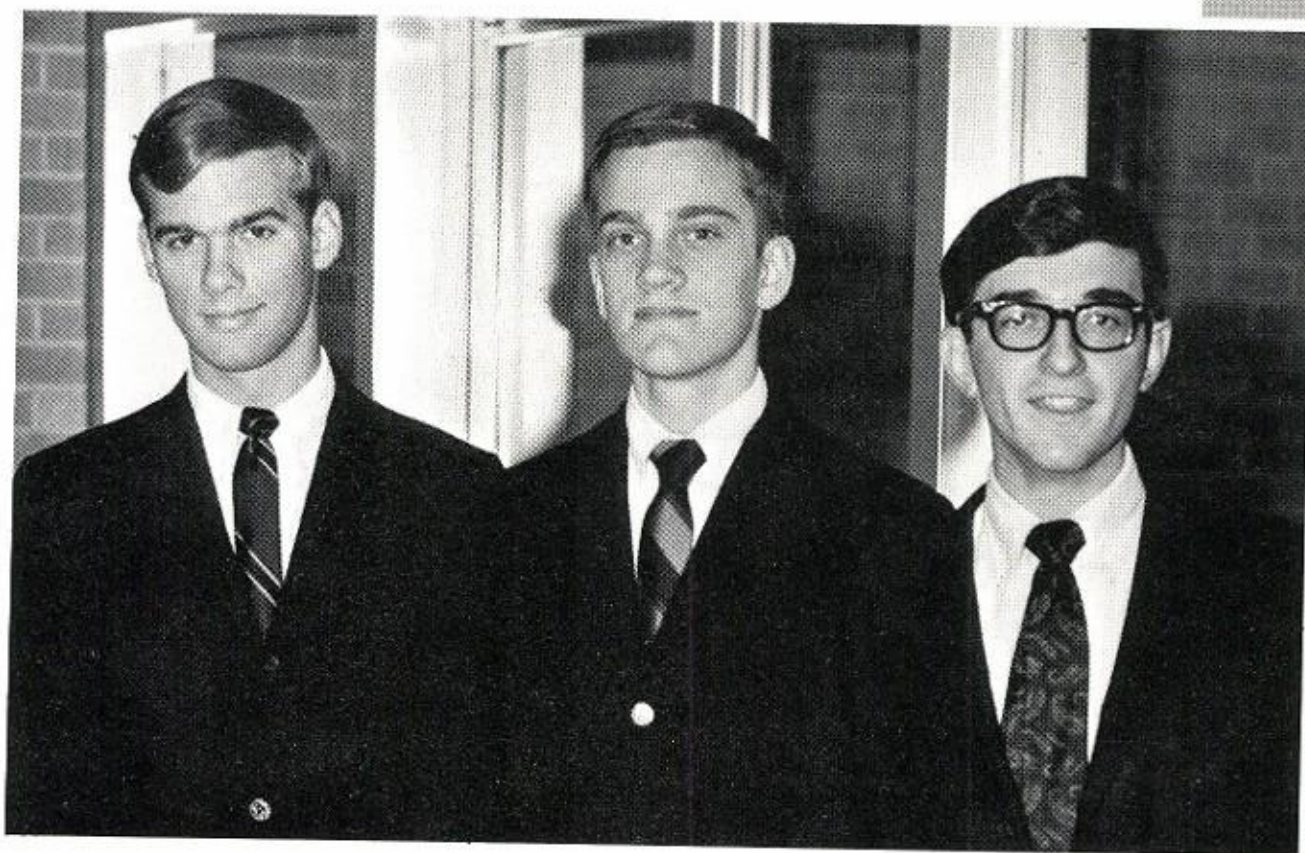

CURIOUS SAVAGE CREW: (1) Bertram, Marchese, Nolan, Walton, Martin, Hooper, Cwynar, Oulette, Carfagno, Remsing (2) Sitzler, Gaiser, Krullen, York, Borecky, Harris, Porter, Mooser, O'Malley, Blaylock, Owens; (3) Layman, Hawkey, Oswald, York, Franz, McFarland, Shellabarger, Spicer, Ortega and Barry

Cicerone Staff

Right: EDITORS: Martone, Editor-in-chief Isenman, and Marchese.

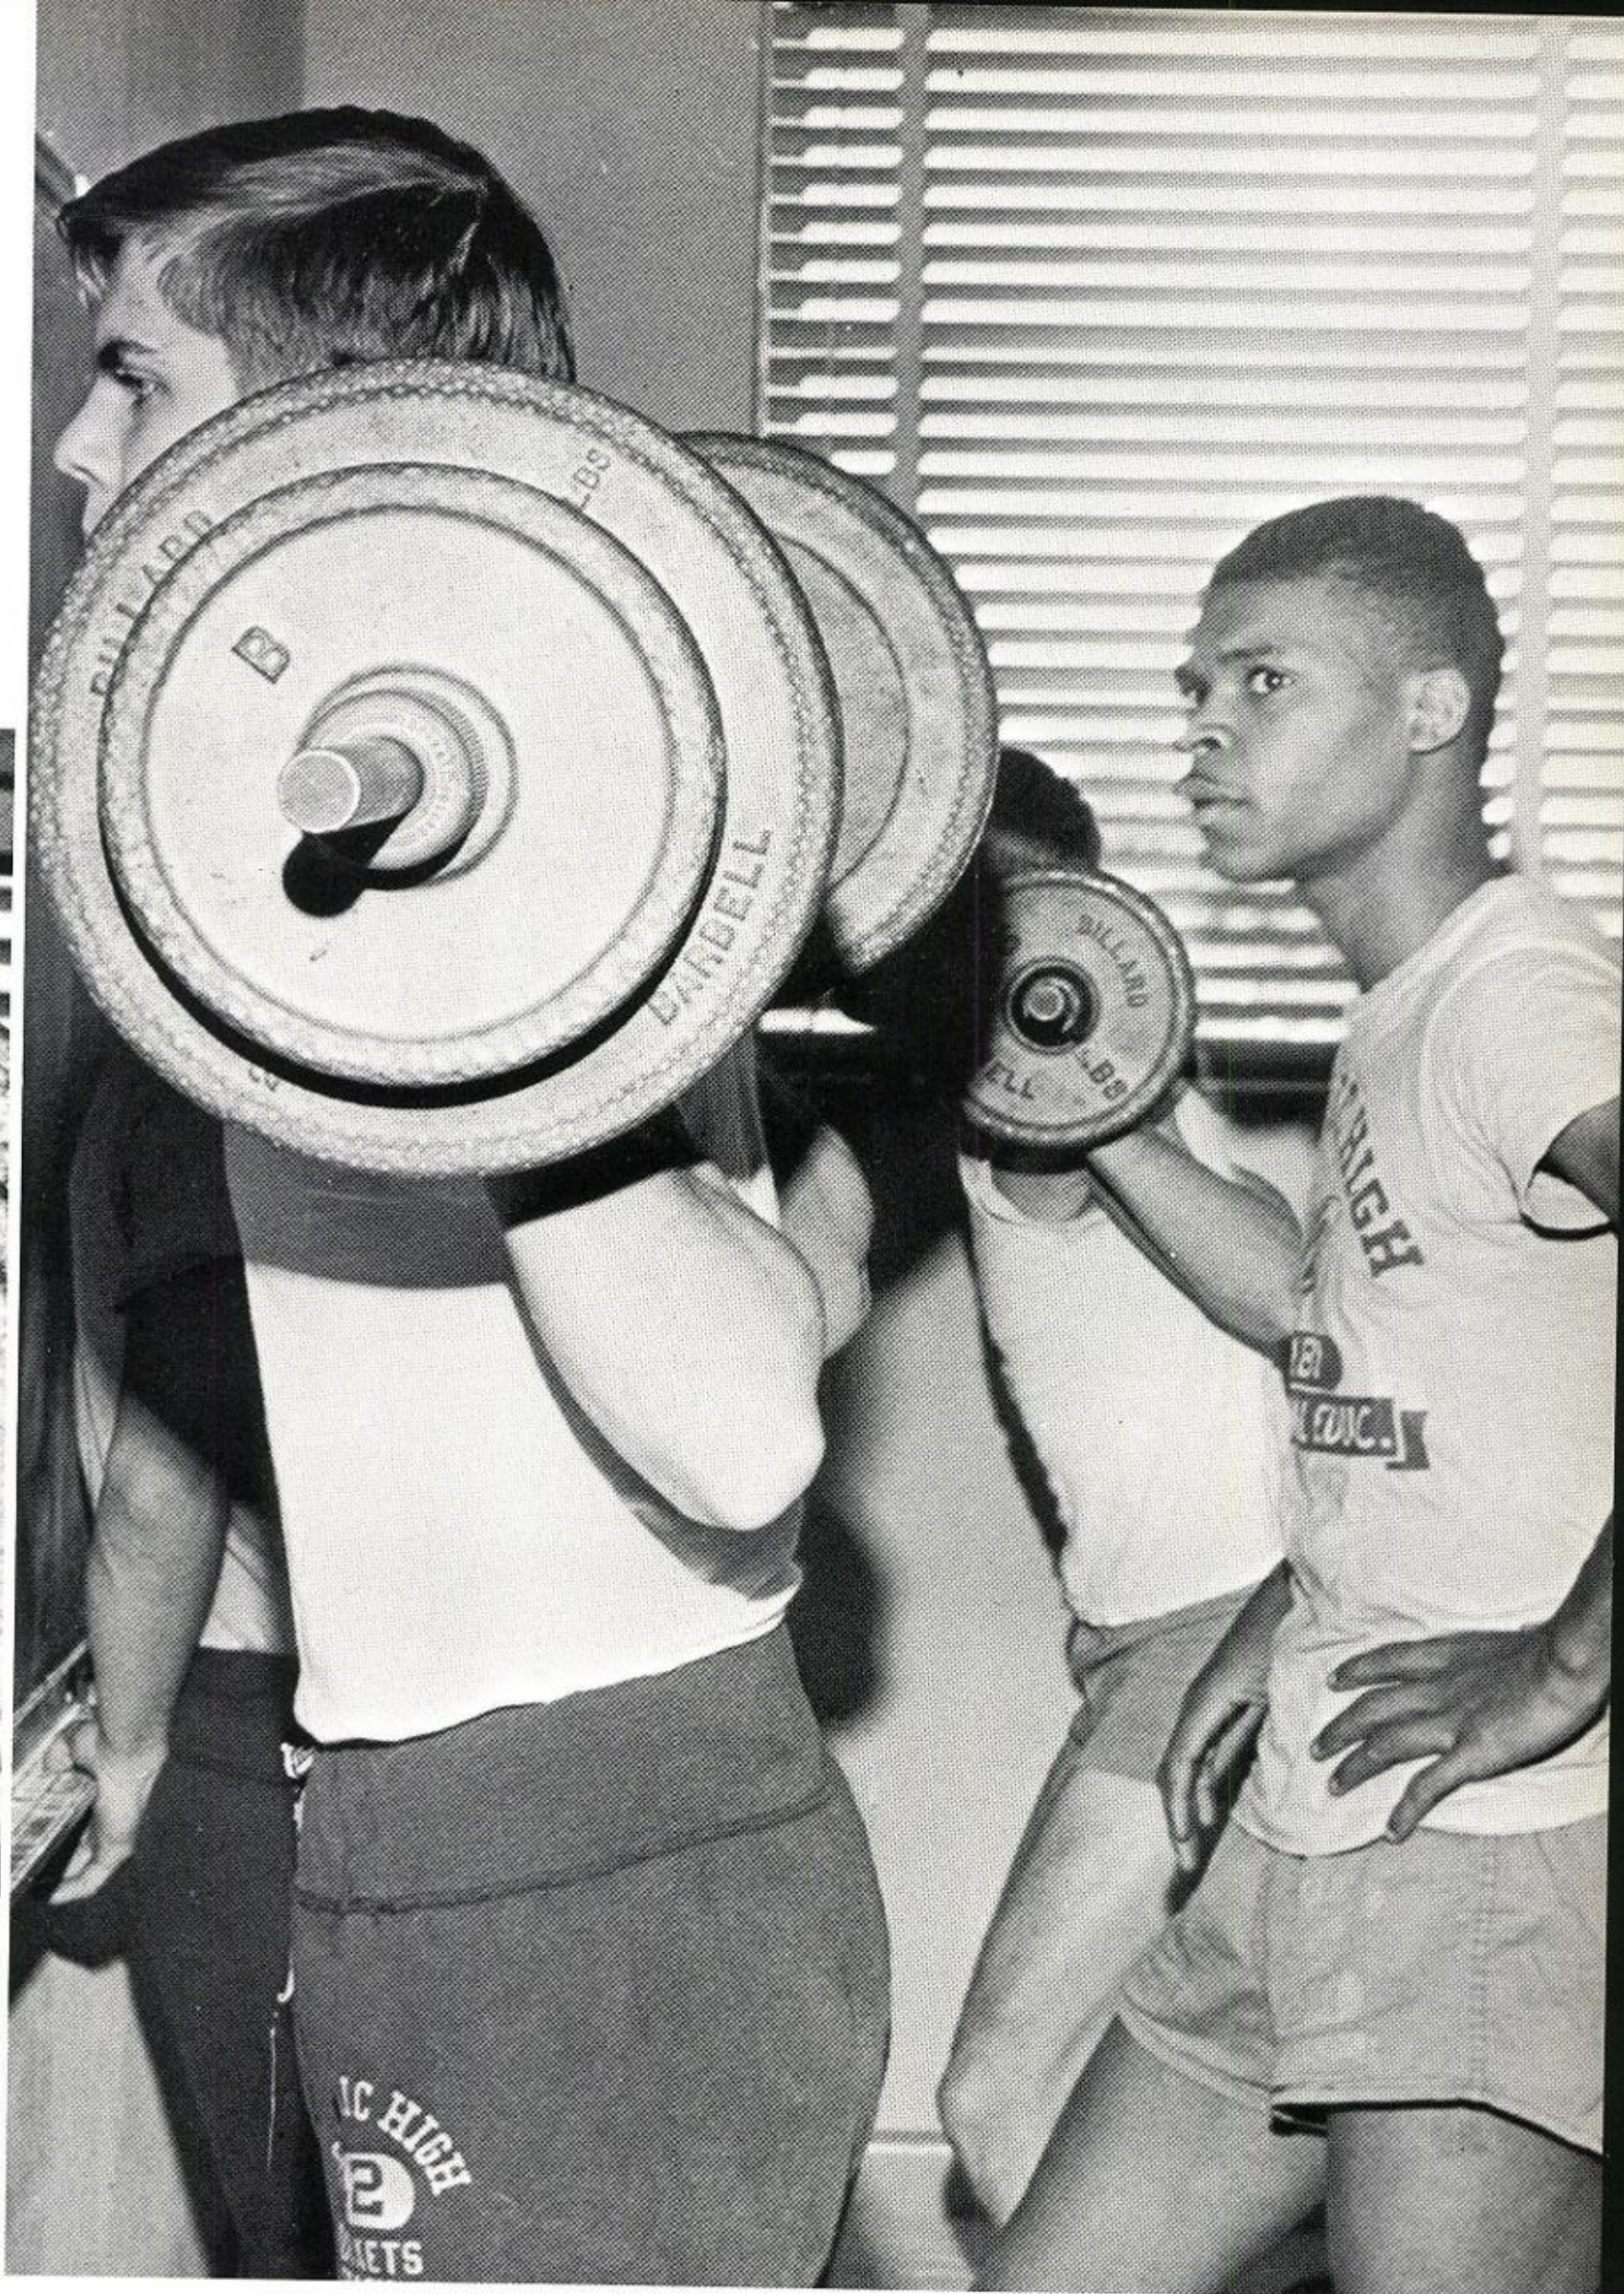

Below: STAFF MEMBERS: 1st row: Howell, Oulette, Meyer, Zakrzewski, Shirley, Hughes and Maurer; 2nd row: Maynard, Porter, Meyer, Meeks, Sullivan, Gaiser, Martin and Krulien.

CASSINELLI: "I just gotta get tough like my big brother, Drew ... first I'll learn to jump fast and then I'll learn to drive fast"

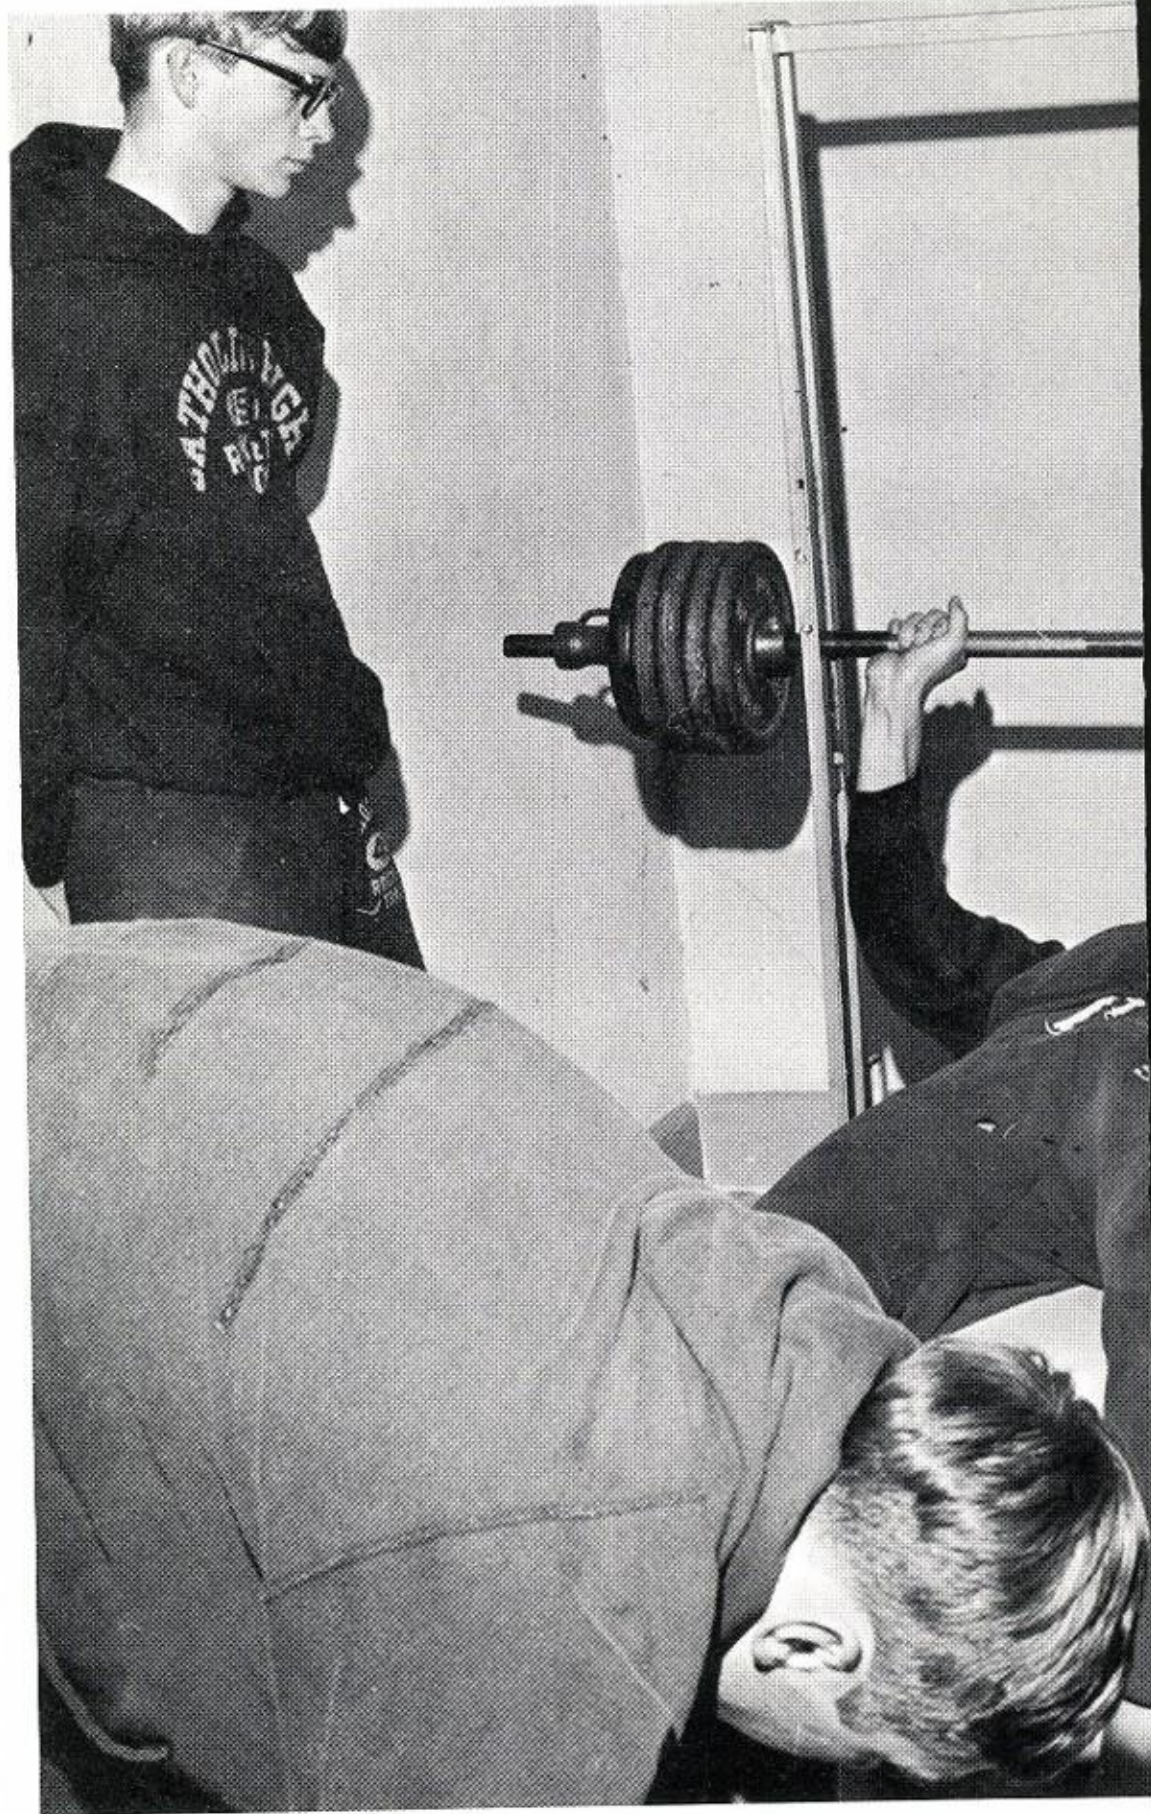

LEE LINDSAY: "If Frank Zakrzewski can throw weights around like that I don't think I'll get tough with him
left: Worm, the only man who goes into a contemplative mood when he puts a weight on his back ... maybe planning his next bout with Van Camp.

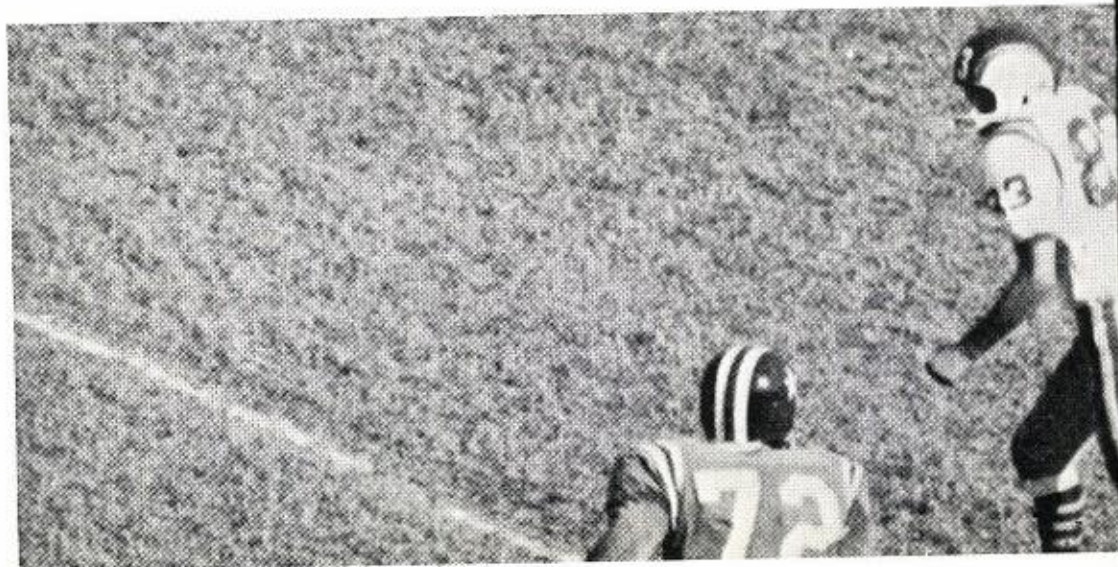

Keeping in Shape After School

MAINS: "Pretty soon I'll be as strong as Mehlin and the girls will chase me"

ZALDOSKI: "Now that they've all seen my picture they will have to admit that I really exist after all. At least I sold 8 patron ads"

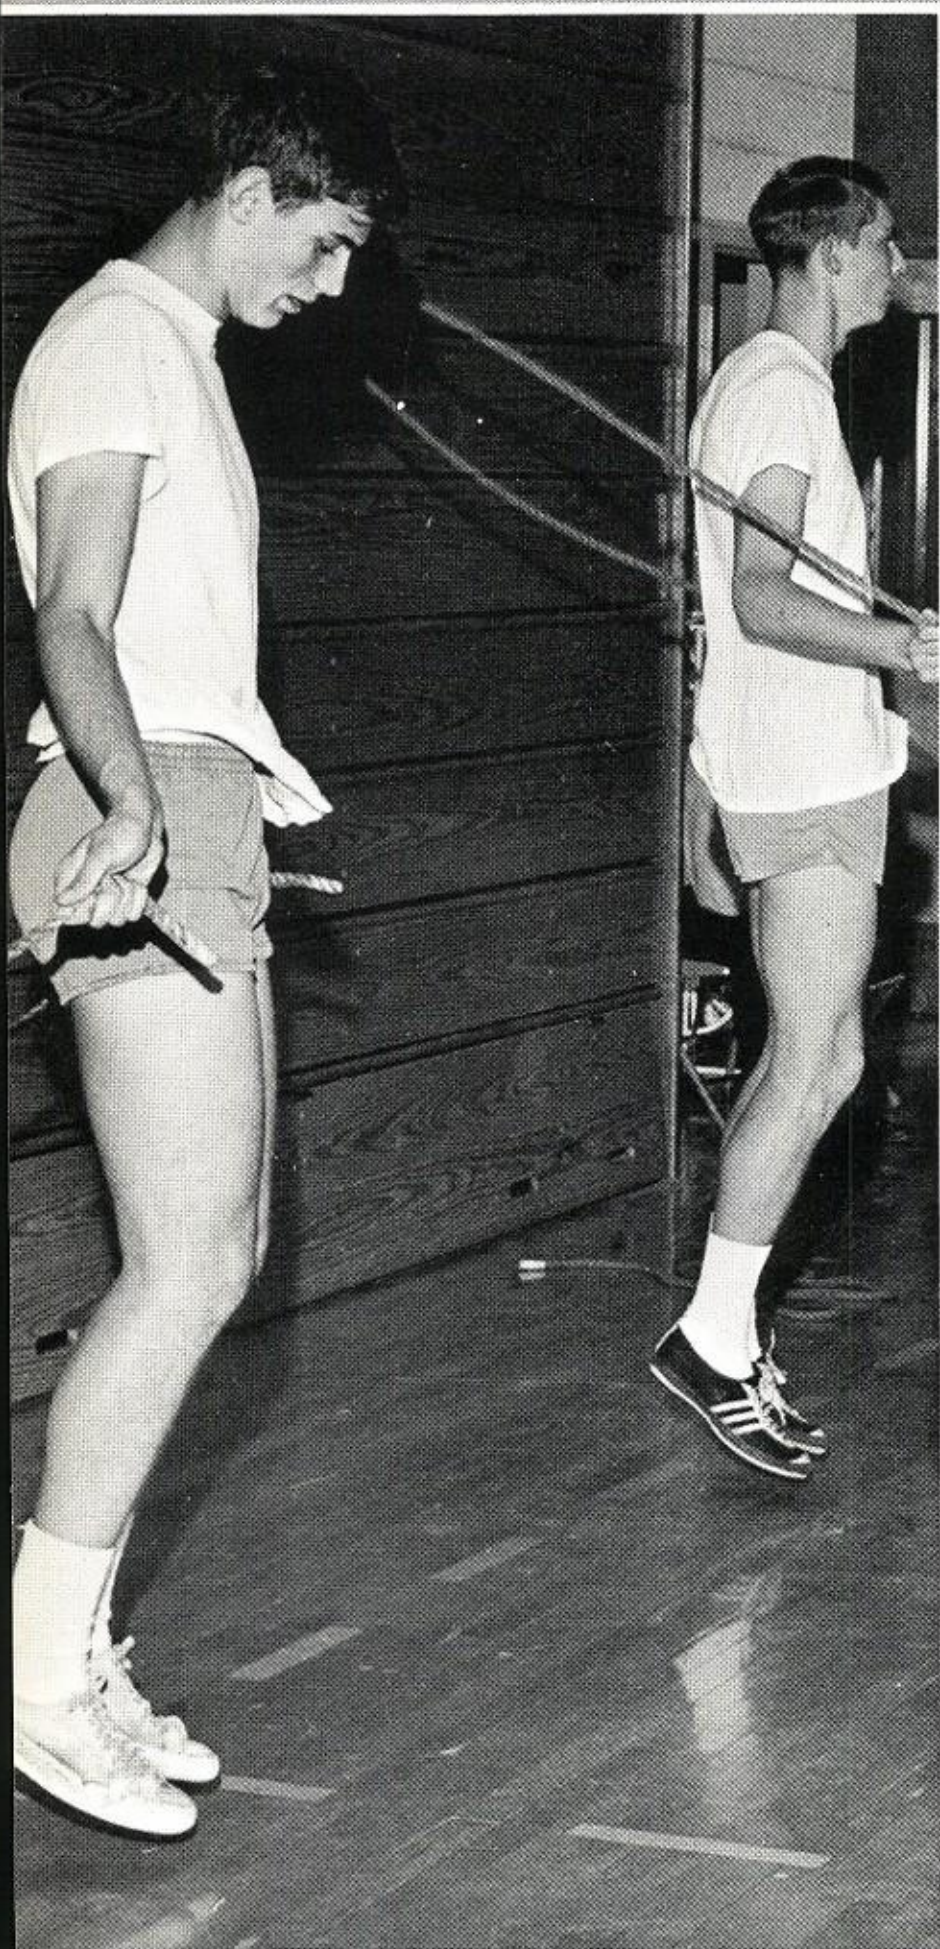

TUCKER: "Linus has his blanket . . . but I have my very own tackling dummy!"

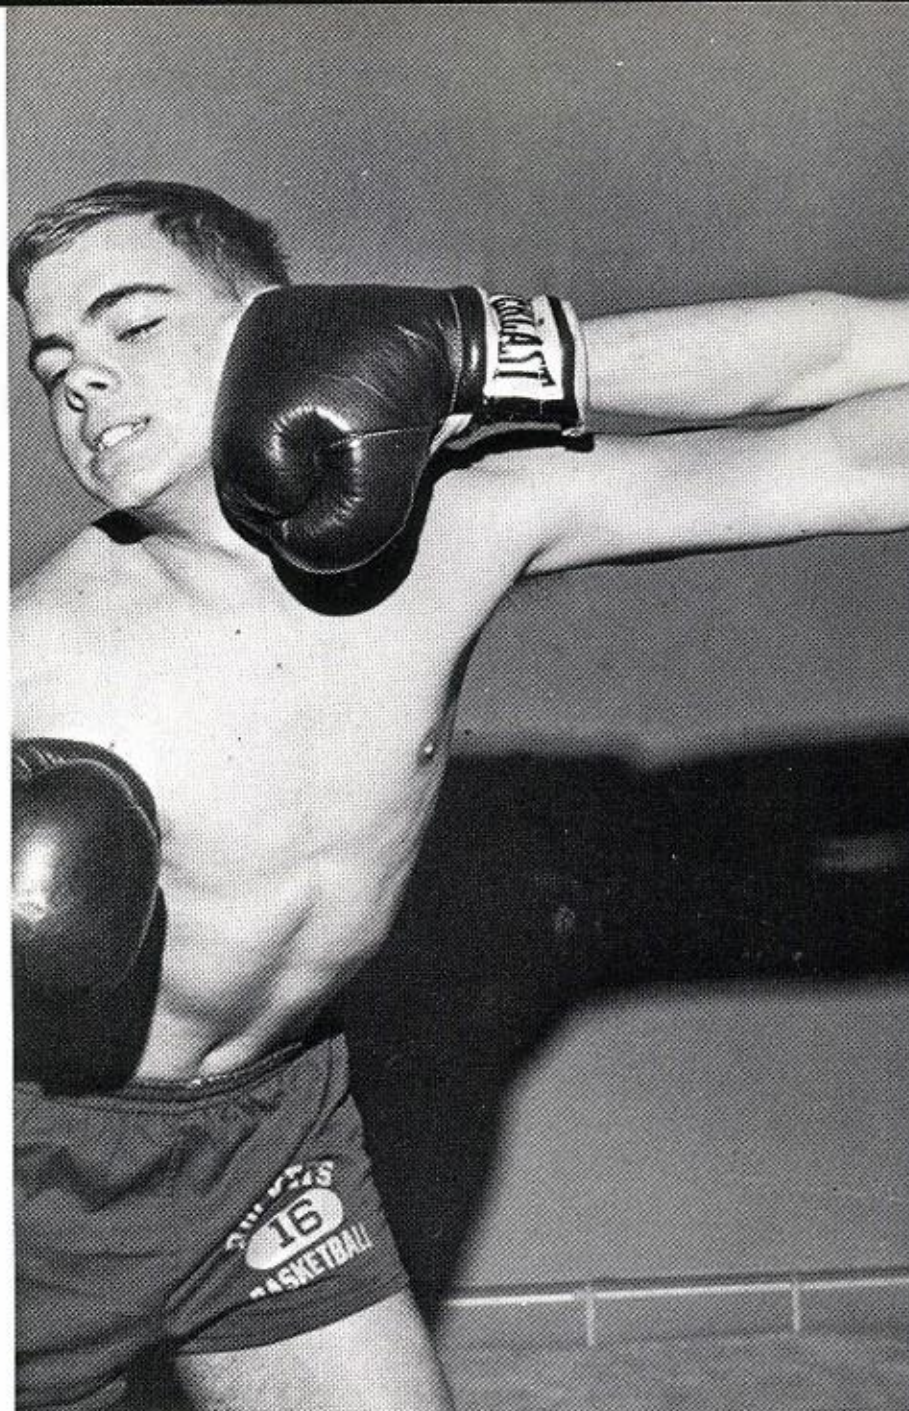

Exercise Incorporated

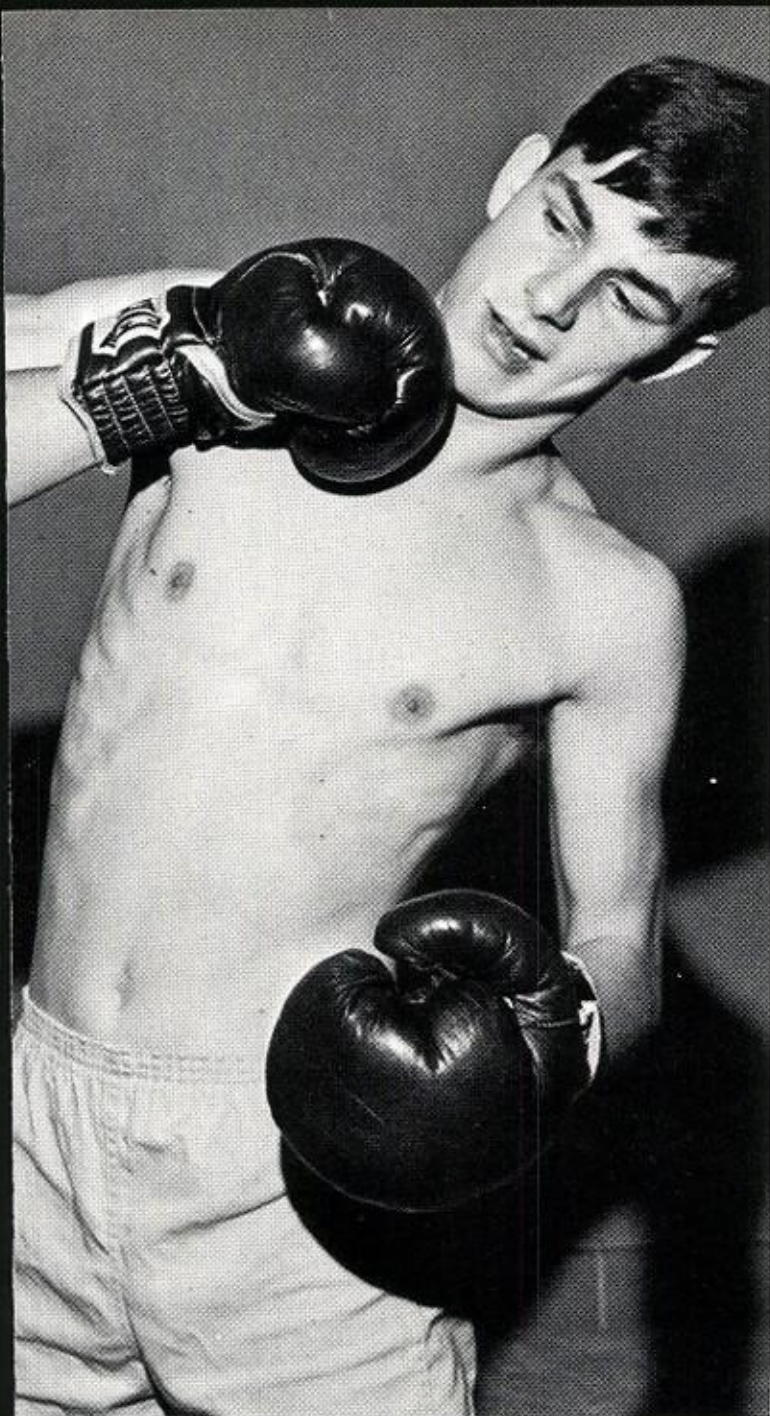

Tucker and Hunkapillar skip a mean rope . . . the rope of hope that puts them on the varsity first team in the Fall.

Right: Is this a new form of Physical training devised by the inscrutable Mr. Malham? No, it's bashful Pat Slaughter hiding from hte photographer with the first available equipment: trash can lids.

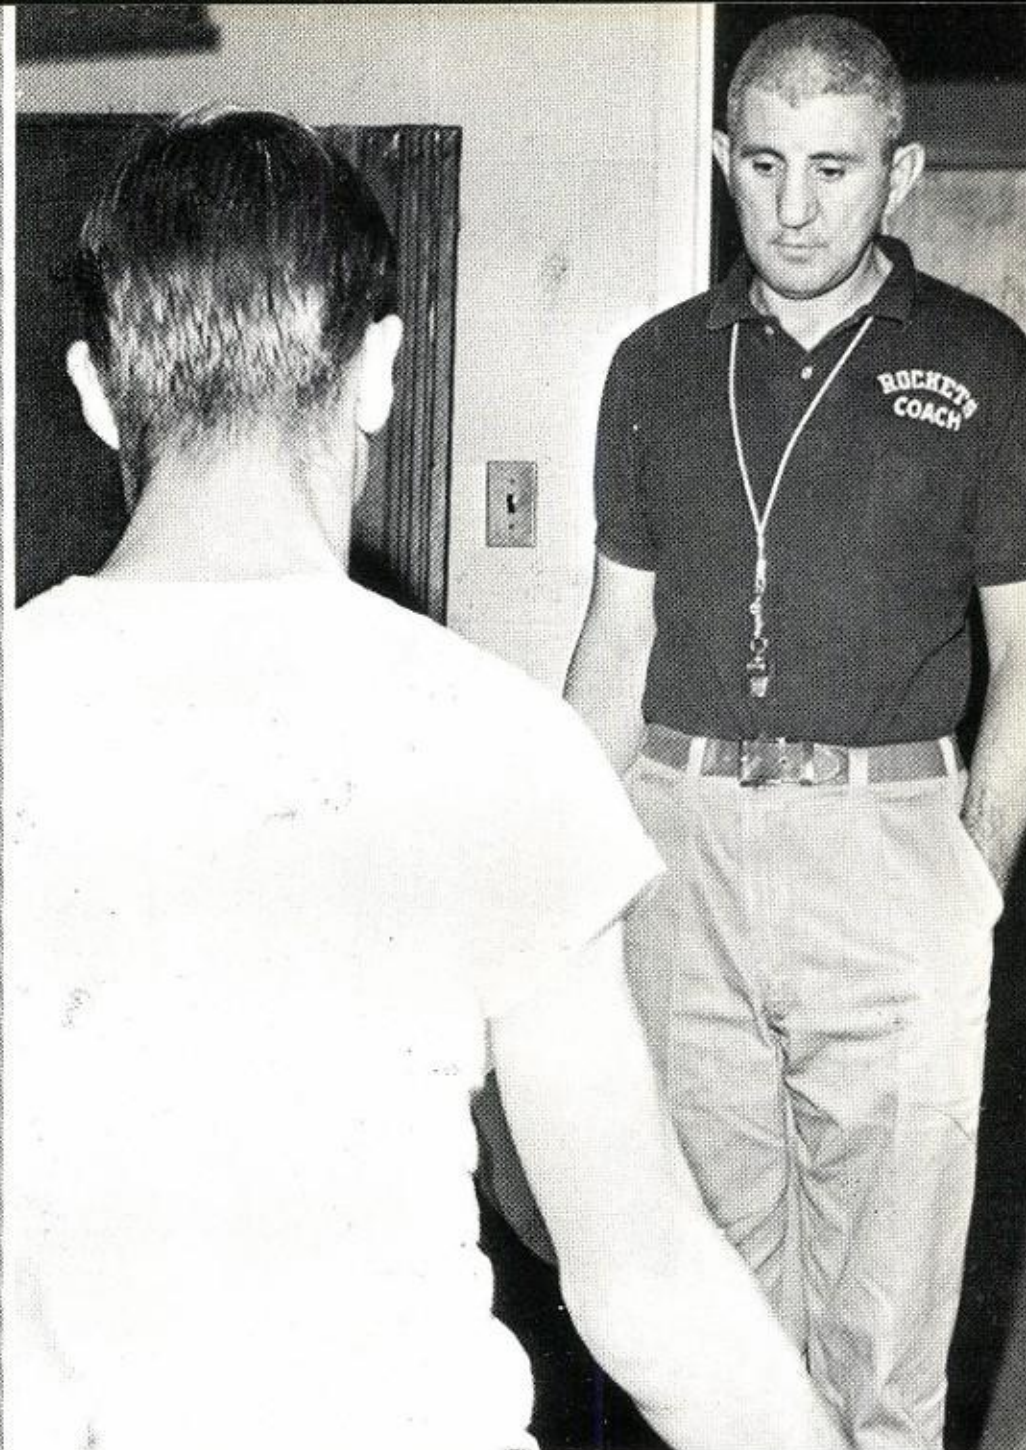

Barry and Mains settle affairs like

Typical world leaders!

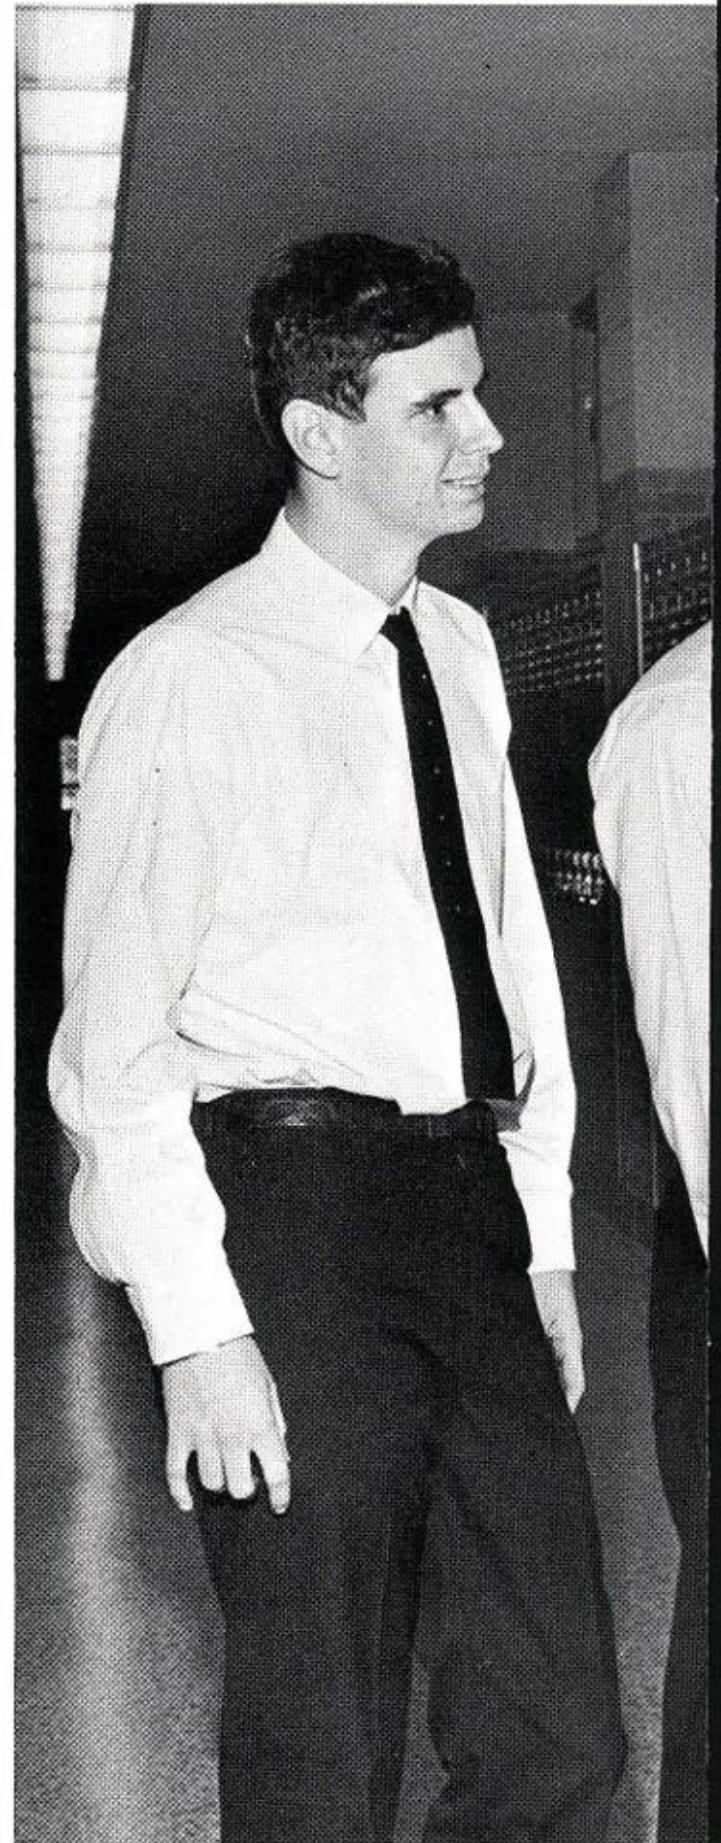

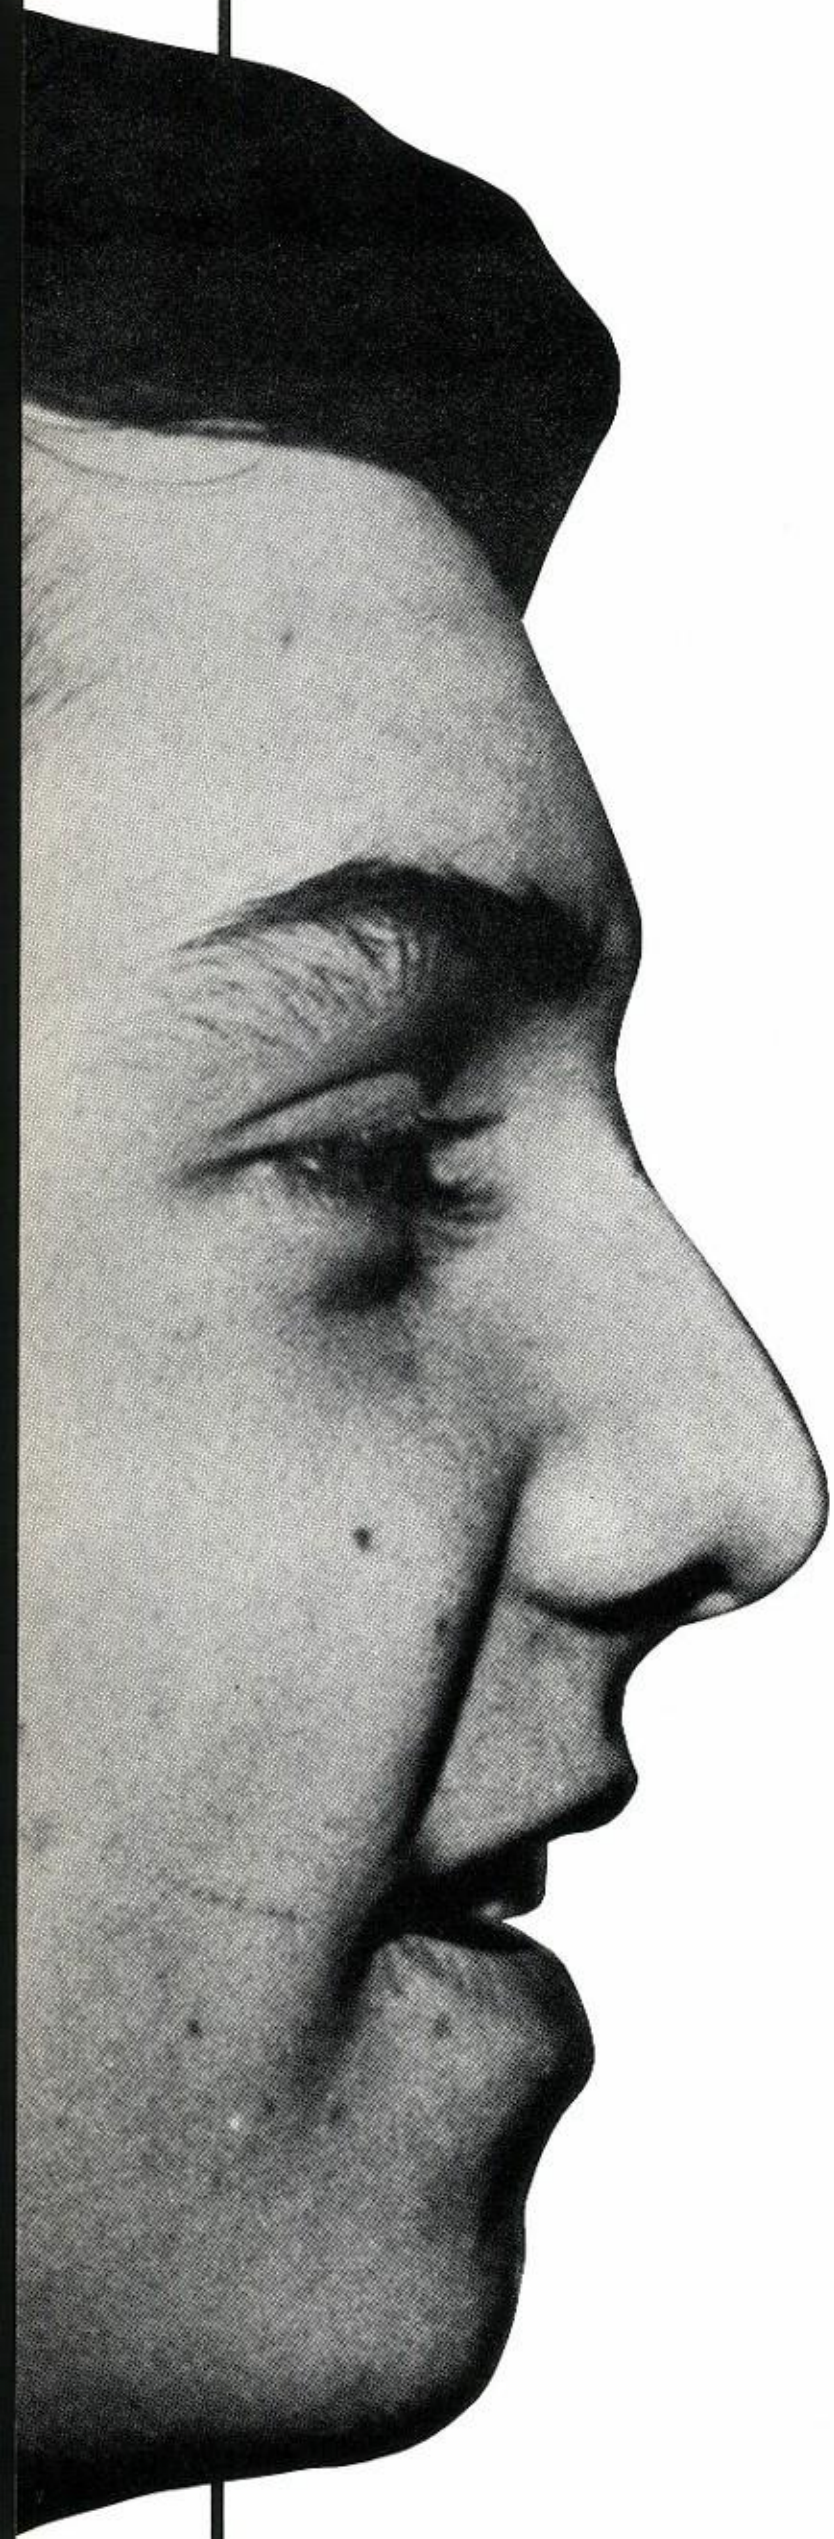

Just off his Nile River barge and looking for new oar-pulling slaves is Simon Legree.

Homeward-bound. Good-bye, old Catholic High, for another day!

CANNED VITAMIN TALK

Any day now a door-to-door peddler may ring your bell and try to sell you some vitamins or nutritional supplements. He will be very convincing because he's a trained salesman. But keep this in mind. It's quite unlikely that your physician would ever prescribe his product. No matter what the peddler says, chances are, he lacks professional knowledge of what he's selling. So, if you need vitamin preparations (your physician is the best judge) get them from a registered pharmacist. Then you know what you're getting and you get your money's worth every time.
